## TOWNSHIPS DEMAND HOME RULE OF RELIEF

**Supervisors Claim They  
Can Cut Relief Costs If  
Given Control.**

All except two of the thirty-one county township supervisors in Cook county Monday rejected a proposal that they let the county bureau of public welfare administer relief in their areas after July 1 when the powers of the Illinois Emergency Relief commission will expire.

The Chicago city council last week turned its relief duties over to the county bureau, conceding that the bureau's staff, which has handled relief in the county for the IERC, could best carry on the job after the IERC is dead. It had been assumed that the township supervisors, each of whom would be responsible for relief in his township after July 1, might also be willing to unload this duty on the county.

**Supervisors Want the Job**

But the supervisors dispelled this belief when they met by invitation with the joint committee on relief appointed by Mayor Kelly and Clayton F. Smith, president of the county board. The meeting was in the county board rooms.

"The supervisors want to take over relief in the county townships," said William F. Propper, supervisor of Thornton township, who is president of the Cook County Township Supervisors' association. "They would want to pick their own help of course, because they don't want a lot of money spent that the poor don't get. If we levy a tax for relief, as proposed by the new state law, we want to do the spending ourselves."

Mr. Propper, former member of the legislature, claimed that the present law compelling the individual townships in Cook County to levy a thirty cent tax before it can secure any of the sales tax relief money, was unconstitutional. All supervisors are agreed that if the townships must levy and pay this special tax, the township officer must have the authority to spend

supervisor Chas. Grandt of Wheeling township, is a member of the special committee, which will confer further with Chicago and county officials.

## BIG MISSION EXHIBIT FOR LUTHERANS

**All Churches in North-  
west Circuit Unite in  
Display Sunday.**

The world-wide missionary and educational program of the Lutheran church will be visualized in a large mission exhibit on display Sunday afternoon and evening in the Des Plaines Lutheran school hall. All churches of the Northwest Suburban Circuit have joined their forces in arranging this church work in various countries of North America, South America, Europe, Asia and Africa.

The object of this exhibit is to provide the church public with adequate information on the extensive activities in its many fields of missions. This knowledge will be supplied in a simple and easy manner by means of maps, graphs, illustrations, models, products, etc. Next to actually visiting these fields, this will be the most effective method of visualizing the nature and requirements of this work.

As a part of their school work, all pupils of the schools and Sunday school of the area, will be urged to view this interesting exhibit. In this way their knowledge of Lutheran mission will be increased with little effort on their part.

To make this educational venture fully effective two experts connected officially with the mission organization of the church will explain the exhibits in a brief talk.

Rev. A. R. Streufert, general field secretary of the Missouri Synod will speak at 3 p. m. and the Rev. Marmaduke Carter, colored pastor of Chicago, will present the needs of the work among the negroes of the country at 8 p. m. St. Peter's Children's chorus will sing in the afternoon.

No admission will be charged but a free will offering will be lifted to help defray expenses. All friends of Christian missions are invited to view this graphic presentation of Gospel expansion.

## Old Time Dance at Scip's Hall May 17

Wally Hainfeldt's orchestra is sponsoring an old time dance at Scip's hall, Palatine, Sunday evening, May 17. Admission will be 25c a person.

## POPPY DAY

The American Legion Auxiliary will again sell poppies this year. Monday, May 25, is the date selected when the general public is urged to show respect to the service boys buried in France and to aid the crippled ex-service men of this country. 10,000,000 poppies are made each year for this purpose and more than \$100,000 is paid annually to needy and disabled service men and women for making the poppies.

The proceeds from the sale of these poppies is \$1,000,000 annually, every penny of which is devoted to rehabilitation work by both the Legion and Auxiliary.

## P. T. A. HOLD LAST MEETING OF THE YEAR

The Parent-Teacher association held the last meeting of the year Tuesday evening. The annual reports were read which showed a vast amount of work accomplished this year. The association has many fine projects which can only be appreciated by those who attend and know what is going on. The seventh grade won the attendance picture and will have the honor of having it hang in their room next year.

The boys glee club of the high school under the leadership of Mr. Sizer, sang two songs, "Pop Goes the Weasel," and "Come to the Fair," in a most creditable manner. This glee club was just recently organized and is proving very popular. Miss Olive Neitz is the accompanist.

Miss Kearns of Winnetka school system, was the speaker. In Winnetka, they have a different program than most schools working as a unit for the child, he going at his own speed. It has proven quite successful. The talk was very interesting and many are anxious to visit there to see the workings of this system.

Mrs. Keister of Park Ridge installed the officers for the ensuing year:

President—Mrs. Eric Burklund.  
Vice President—Mrs. Lawrence Inkster.

Secretary—Mrs. Clarence Hans.  
Treasurer—Mr. Joseph Cletten-

Historian—Mrs. Henry Bockel-

On Tuesday the association sponsored the trip of the fifth grade to the Field Museum. This is an annual outing and trip for the fifth grade, and always proves a very eventful day. The trip is made by bus.

The hall and cafeteria were prettily decorated in lilacs and tulips, and upside down pineapple cake and coffee were served by committee composed of seventh and eighth grade mothers.

## State Convention of Women's Clubs Next Week

The annual convention of the Illinois Federation of Women's clubs will be held next week at the Hotel Sherman, starting Tuesday morning and continuing through Thursday night. The delegates of the local club are Mrs. Fred Oswald and Mrs. S. R. Paddock. The alternates are Mrs. N. L. Thompson and Mrs. Chas. Nagel.

Any member of the club is privileged to attend the sessions upon payment of registration fee of 25c.

**Courses in Speech Still  
Available**

On account of a number of additional inquiries for the course in "Practical English and Better Speech" permission has been secured from the Better Speech Institute to accept orders for the course at the special club price until May 31. Phone orders should be made to Mrs. Orth, No. 214-J.

## Dog Catcher To Visit Palatine Homes If License Fee Is Not Paid

It is going to cost two dollars less to purchase a dog license in Palatine hereafter, but the purchase one or lose your dog. The village clerk is required to prepare a dog census and if a license is not purchased before June 1, it will be the job of the police to quietly knock at your door and say, "two dollars (\$3 for females) please, or your dog."

If you have not the money the dog will be taken to the municipal headquarters where the owner has 48 hours to pay a ransom of \$2.00 and all unpaid license fees.

While no public notice is being given regarding the change in the ordinance, the Enterprise has been furnished with the above provisions.

## Forty-two to Graduate At Palatine High

The Palatine township high school will have 42 graduates this year. Graduation exercises will take place at Cutting hall, Wednesday evening, June 3.

Dr. Geo. C. Blaklee of the University of Chicago, will be the speaker. Dr. Blaklee has had an unusual broad experience as a speaker and lecturer and has recently returned from a tour of Minnesota where he has spoken to high schools and junior colleges.

## START WORK ON WIDENING OF RAND ROAD

**Present Contracts Cover  
40-ft. Pavement from  
Euclid to County Line.**

Work was started this week on the preparatory construction for the widening of Rand road from Euclid Ave. to the county line, which is north of Kitty Korner, a distance of about five miles.

Thomas McQueen has the contract for the work from Euclid to State road and the Chicago Heights Coal Co. for the remainder of the improvement.

Rand road is now closed to traffic and removal of present pavement and construction of culverts are now in progress. The Chicago Heights Coal Co. will utilize the facilities of the Arlington Elevator & Coal Co. in the unloading of sand and gravel cars and will construct a special unloading platform that will permit the handling of cement in bulk form in place of the usual bags.

It is reported that eight new trucks, each of which will carry 6½ tons of material, have been purchased for this job by the above firm.

The use of Arlington Heights as a source of material supply has already provided employment for a number of the local boys and will keep employed several of the silos at the Arlington Elevator and Coal Co. throughout the summer.

Palatine Road is closed to traffic and the construction of new culverts is in progress preparatory to the widening and application of an asphaltic surface. This work is being partly done under the WPA. A hill in the village of Palatine, east of the N. W. highway is being used for fill.

Milburn Bros. which firm has the Route 53 contract completed the paving at the Algonquin gap Wednesday and is now working at the intersection of Route 53 and Rand Road. Owing to the non-arrival of steel the first cement was poured last Friday. Materials are being hauled from Palatine.

## Local Talent Try Petty Robberies

There are some young fellows about Palatine who are entering upon their career of crime by petty robberies. Two homes were entered Wednesday evening and an attempt was made at a third, where they were scared away by a dog.

When Stanley Stewart came downstairs he found plenty of evidence that somebody had searched the premises. Articles taken were a gold watch and an American Legion emblem. Entrance had been gained through a cellar window.

The home of Mrs. Engelking, north Benton street was also entered the same night, where a small sum of money was taken. A chair was used to gain admittance thru the only unlocked window of the house.

The removal of a screen and marks upon a window sill of the home of E. P. Steinbrink on North Plum Grove avenue was evidence that an attempt had been made there to gain admittance. The dog, locked in an adjoining room probably frightened the marauders.

## Rural Schools Graduating Exercises Are Announced

The eighth grade graduating exercises in Division I will be held on the following dates and places.

Barrington township—Barrington H. S., Wednesday evening, May 27.

Elk Grove township—Elk Grove school Friday evening, May 29.

Hanover township—Bartlett public school, Monday evening, June 1.

Mt. Prospect township—Mt. Prospect public school, Thursday evening, June 4.

Palatine township—Cutting hall, Friday evening, June 5.

An excellent program is being prepared for each event.

## Cutting Leaves \$50,000 Estate To Son's Widow

The will of Attorney Charles S. Cutting, former judge of the Probate court, was filed for probate last week. It bequeaths his \$50,000 estate to his daughter-in-law, Mrs. Mary Bartelme Cutting, a cousin and namesake of former Judge Mary Bartelme. Mrs. Cutting is the widow of Attorney Cutting's son, Robert, who died in 1932. The elder Mrs. Cutting died in 1920. Attorney Cutting, who was 82 years old when he died in the Presbyterian hospital on April 17, was judge of the Probate Court from 1900 to 1913, a former member of the board of education and a partner in the law firm of Cutting, Moore & Sidley. Mrs. Mary Cutting was named executor of the estate.

## Villages Must Stop Pollution Of Streams

The Illinois State Water Survey apparently is ready to make good its often repeated threats against villages and others who continue to pollute Illinois streams without making any plans to abate such nuisance.

The Mt. Prospect and Palatine have during the past two years given every consideration to the representatives of state when they appeared personally before the respective local boards but all three bodies have been putting off the evil day when some definite action must be taken.

The village of Barrington is an exception and actual construction of a new sewer system in that village along the line proposed by the state water board is in progress. It is being paid for by a joint rental for sewer and water assessed against every water user of the village, said charge to continue until the last of the required bonds are paid.

A similar plan in Mt. Prospect and Palatine is suggested in surveys recently authorized by these two boards and which were presented to them last week by the engineering firm of Consoer, Townsend & Quinlan.

It is understood that the total cost for each village would be in the neighborhood of \$200,000 each, but it is contemplated to ask the government for a 45% grant, making the cost to each village in the neighborhood of \$100,000. There would be a yearly operation fee of practically \$5,000, which would be added to the amortization charges to take up the bonds and all of which would be paid by all households in the village in a charge for water and sewer service. The amount that would be added to the present water bills to cover the sewer improvement and operation, has not yet been announced, but in the case of Palatine is understood to be in the neighborhood of \$18 a year and for the village of Mt. Prospect considerable more than that figure.

Adoption of the rental charge in place of the customary special assessment plan is made necessary because the government which is expected to provide the money, part in an outright grant and part as a loan requires an income producing plan to insure the payment of the bonds and interest.

**Suits Ordered Filed**

Notices were recently given by the state water board that the Attorney General of the State of Illinois had been instructed to file suits immediately against the above villages for their failure to abate previous orders and abate by April 1, 1936, the pollution of the streams. If such suits are pressed and the law under which they are prosecuted is constitutional, the penalty would be \$100 for each and every day that such pollution is continued.

Copies of the surveys and plans prepared by the engineers have been filed with the water board in behalf of Palatine and Mount Prospect, but the village of Wheeling has taken no action as yet.

In the case of the village of Palatine, it is planned to construct at a cost of \$100,000 a new treatment works at the southern boundary of the village. An amount of approximately \$75,000 additional will be needed to construct an intercepting sewer that will carry the sewage from two present outlets to the new plant. A pumping works and a sewer main will be necessary to get the sewage from that section east of the Northwest highway to place of emptying into the creek that flows through the Arlington race track property.

Palatine's present troubles and the high cost of the needed installation can be blamed to the undeveloped subdivisions that were taken into the village. There are approximately 450 homes in the old part of the village; thirty in the south subdivisions and 24 that are using the east sewage service.

The village board does not like the situation any more than will the property owners. If for any reason the government does not give Palatine a 45% grant, it will just be too bad for Palatine as in that case the cost per water user would be almost prohibitive.

The village has not bound itself to any procedure as yet, but with court proceedings threatened with a possible mandamus proceedings, it is inevitable that the improvement be made.

## Palatine Legion Boys Open Skeet Field

Palatine Post of the American Legion has completed a skeet field at Kelly's Place two miles northwest of Palatine, on the Northwest highway. There will be an informal shoot there Sunday to which the public is invited. It is planned to hold court proceedings with Sundays. Many trap shooting men are turning their attention to skeet shooting and the success of the new venture is assured according to Robert Mosser secretary of the Northern Illinois Trap Shooting League.

## Many Leave WPA Jobs For Employment On Road & Race Track Work

The opening of the road jobs, which included the widening of Rand road and spring work at the race track, is attracting many men who have heretofore been employed on local WPA jobs. There is a shortage of men reported on the latter.

## RIVER ROAD SCHOOL TO HOLD MAY DANCE, MAY 25

A May dance will be run at the River Road school, River Road, south of Higgins, Saturday evening, May 23, 1936, under the auspices of the River Road Achievement club. Good music, prizes and a good time to all. Admission 25c.

## NEW INSURANCE PLAN WELCOMED

The Pilgrim family insurance plan announced in last week's issue has brought many inquiries to the Herald office. Its unusual provisions and unusual protection has caused many old time insurance men to predict that it will meet a wave of popularity among the average families who are not in a position to carry individual insurance for each member of the family.

The amount of the insurance is \$1,000. The amount of payment in case of death from any cause depends upon the number of the members within the family. In case of husband and wife alone, the payment would be \$500; in case of a family of four the payment would be \$250. After one death occurs, the insurance continues for the remainder of the family. Further details can be found on page eight of this issue.

## A Few Dollars and Labor Contributions Beautifies Cemetery

It began to appear that Hillside cemetery would go without its annual clean up until Henry Roper and a few other interested men got busy with rakes and lawn mowers. Other public spirited men contributed a few dollars and the cemetery has blossomed out as nature intended that it should. Too many families do nothing for their lots in that cemetery, but here are the names of those who helped the good cause along:

Donations, Wm. Henning, Fred Porep, Wm. Wittenberg, John Kitson, August A. Toppel, Chas. Seip, \$2.00—F. F. Daniels.  
\$1.00—Today.  
\$1.00—Ed. Haemker.  
\$1.00—Wm. Roper.  
\$1.00—Henry Roper.  
\$1.00—Charles Gaar.  
\$1.00—Louis Schoppe.  
\$1.00—W. R. Comfort & Sons.  
\$1.00—Gaare Oil Company.  
\$1.00—Fred Kuhlmann.  
\$1.00—Harry Schoppe.  
\$1.00—Fred Kurz.

Mr. Roper says that as long as he is able bodied, he will find a few men who are willing to keep that cemetery in shape, but the cash contributions enable the boys to make some improvements that would not be otherwise possible.

## Palatine Lions To Attend Convention At Vandalia

Five Palatine Lions and their wives are going to the district convention in Vandalia and two others will go also, providing they can get away from business.

**Perfect Attendance Awards**

On May 7th the regular dinner meeting of the Palatine Lions club took place at the Meadow Grove country club. Perfect attendance awards, in the form of special lapel buttons, were presented by Lion Puffer to Lions De Pue, Kehe, Kuntz and Ost.

The program of the evening was conducted by Lion Puffer who furnished four reels of outdoor movies and who discovered for the club (among its very own members) a Lion fly-fisherman, Lion Clopp, whose half hour talk on his hobby was warmly appreciated by all those who heard him.

Among the other business of this session was the organization of a committee of eight to contact the various organizations which comprises the organized life of Palatine with the purpose of learning whether or not these units are ready to cooperate in a centennial celebration for the community.

The tennis courts of the Lions club in Palatine are being put in shape at considerable expense to the club.

## Hines Hospital Boys Appreciated Minstrel Show by Local Post

C. L. Griffith, commander of Merle Guild Post No. 208, the American Legion has received a letter from John R. O'Connor, recreational manager at Hines hospital thanking the local post for the entertainment last Friday evening given by the minstrel boys. The letter in part reads:

"We wish to express our deep appreciation for the very excellent entertainment furnished by your members for the enjoyment of the patients of this hospital on the evening of May 8, 1936. It goes without question that a good hearty laugh has great therapeutic value and a great many of our boys are still chuckling from the effects of your show."

## Two Letters Arrive In Arlington via Hindenburg

George Schaefer, 304 N. Haddon Ave., and Charles Petersen, Sordale, are in receipt of letters mailed in Berlin that arrived in this country on the L. Z. 129 Hindenburg. They were written by James McVitte, a passenger on the airship, who is a personal friend of the two Arlington Heights residents. Mr. McVitte's experience upon the trip were published in the Chicago press. He was also a passenger on the Zeppelin when it made a similar trip four years ago.

## PARK BOND ELECTION IS NEXT WEEK

**Little Interest Is Being  
Shown in Important  
Event; Workers Needed**

Volunteer workers are needed to sponsor the park bond election which takes place next week, May 23. The members of the park board have expressed themselves as being absolutely neutral in this matter. Members of the village board feel that they should keep out of the picture and it begins to appear that here is a much needed public job that is awaiting somebody to do it.

The job itself, is the contacting of the various groups and individuals favoring the bond project and awakening public sentiment to the danger of a defeat of the bond issue unless there is a heavy poll at the election.

## Plan Summertime Recreation

Assuming that the recreation park will be available for an enlarged recreation program this summer, members of the Arlington Heights Recreation association met last night to outline plans. Nearly every group and organization within the village was represented at the discussion. As all present WPA set-ups end June 30, unless continued by the government, nothing definite can be ascertained as to a recreation project for Arlington Heights where the government will pay the cost of the directors. It appears necessary that the summer program be started off under a plan similar to a year ago, where local bodies pledged funds sufficient to pay the necessary costs.

## Tennis Courts Await Material

Due to red tape before awarding the contract for the materials needed to complete the tennis court, there has been some delay before they can be placed into service. All other work is progressing according to plans. There was only one tree that has not shown signs of life and it is being replaced. A four inch water main extending 250 feet into the park is completed. From this main service will be given to sprinkling outlets.

## Suggest Centenary Celebration To Open Park

The suggestion has been made that with the official opening of the park Arlington Heights could hold its centenary celebration.

## Baby Clinic Tag Week a Success

The treasury of the Infant Welfare of Arlington Heights, was increased \$115.57 as a result of the tagging done all last week by volunteer workers under the direction of Mrs. C. L. Griffith, chairman of the Baby Clinic Division of the Arlington Heights Public Health committee. This is the largest amount collected for many years and the committee, therefore, feels very happy and proud of this year's record. It wishes to take this opportunity to thank all the workers who helped in the tagging as well as those who so kindly and generously donated to the cause. Without the cooperation of these persons the drive would not have been so successful.

A good many ladies of town, including many Mothers who now have taken their babies to the Baby Clinic, gave their time and efforts to solicit every house in Arlington Heights. On Friday morning, May 8, six ladies tagged at the railroad station between the hours of six and eight o'clock and collected \$30, which is ample proof of the community spirit and generosity of the community business men of Arlington Heights. And on Saturday, May 9, the business district of the town was solicited by young girls of the Camp Fire Girls under the supervision of Miss Jansen.

The Baby Clinic of Arlington Heights is one of the most worthwhile activities of the community. It is held in the Village hall on the second Tuesday of every month between the hours of 1 and 4 p. m. It is open to every mother of Arlington Heights. A child specialist and the Community Nurse are in attendance at every clinic meeting and the funds collected from this annual Infant Welfare Tag Week, is used to pay the salary of these two. What could be a better work than to give this service to the babies of Arlington Heights.

George Schaefer, 304 N. Haddon Ave., and Charles Petersen, Sordale, are in receipt of letters mailed in Berlin that arrived in this country on the L. Z. 129 Hindenburg. They were written by James McVitte, a passenger on the airship, who is a personal friend of the two Arlington Heights residents. Mr. McVitte's experience upon the trip were published in the Chicago press. He was also a passenger on the Zeppelin when it made a similar trip four years ago.

## To Register All Grade School Pupils For Next Year

A change in the registration of grade school pupils for next year has been adopted, announced J. E. Clettenberg this week.

Miss Mair, primary teacher, asks that all mothers of children who will enter the primary grade next September, will register their children May 29 between the hours of 1:15 and 3:30.

On June 2, when present pupils in all grades will return to school to receive their report cards, they are to report to the teacher of the grade they will enter in September when they will be registered for next year by their new teachers.

All parents will be notified by mail prior to the reopening of the school in the fall regarding books that will be needed by their children. As usual the book exchange will aid parents to secure books; announcement of its opening will be made in this paper. When the school opens Sept. 8, classes will start promptly.

## PALATINE BOY GRAND CHAMP IN ESSAY CONTEST

**Arnold Freise, P. T. H. S.  
Receives \$15 from PMA  
and \$2 Local Prize.**

Arnold Freise of Palatine, and Edward Gebhardt of Merrillville, Indiana, are the Grand Champions of the essay and poster contest conducted by the Pure Milk Association for high school students in the Chicago Milk Shed, officials announced Wednesday.

Drawing and writing on the theme, "What the Pure Milk Association Has Accomplished for the Milk Producers of the Chicago Milk Shed." Arnold was the victor in the Essay part of the contest and Edward was victorious in the Poster contest and each will receive \$15 for their efforts.

Winners in each district not sharing in the grand prizes will receive \$5 each for their efforts either in the Poster or Essay contest. The contest prizes are: one local prize offered \$2 prize each for the best essay and the best poster in the local high school.

Palatine is in district No. 7. Arnold won \$3.00 given by the local PMA local for the best essay in that district. Olive Neitz won the district poster prize and also received \$3 from the Palatine local.

The response to the contest this year was very heartening, despite many obstacles that arose to block its progress, including many weeks of bad weather and snow storms which forced the temporary closing of the high schools in many sections of the milk shed.

Over 2,000 pieces of literature were distributed during the contest, with many high school students participating. Association officials are looking forward to an even greater response next year.

## NEW FUNERAL HOME OPENS AT DES PLAINES

**Partnership of Geils and  
Smith Is Announced;  
Modern In Every Detail.**

Leonard Geils of Bensenville and E. A. Smith of Des Plaines announce the opening of a new funeral home at 655 Graceland avenue, Des Plaines. The new enterprise will be a partnership. Both members are well known experienced and successful funeral directors.

Mr. Geils, with his father, owns and manages a modern funeral home at Bensenville. He has had experience as an undertaker and a funeral director over a period of years.

Mr. Smith has had 22 years experience as an undertaker and is well known in and about Des Plaines.

The new funeral home occupies the former Jake Sigwalt residence. It will be well equipped and modern in every detail. The home will contain a chapel, slumber chambers and a side room for the use of the family during funeral services. It is well ventilated and lighted. Mr. Smith will be the residential partner, thus assuring patrons of 24 hour service.

## Funeral of Mrs. Praske Will Be Held Saturday at Itasca Lutheran Church

Mrs. Dorothea Praske, an octogenarian, of Itasca, died Wednesday. The funeral will be held Saturday at the Itasca Lutheran church, Rev. Zersen officiating. Interment will be in Town of Maine cemetery. Funeral arrangements are by W. C. Oehler.

Deceased leaves four sons, two daughters, grandchild and son-in-law. Full obituary will be published next week.

## AM. LEGION SPONSOR YOUTH CELEBRATION

**Ninth District Plans to  
Have 5,000 Youngsters  
In Parade.**

The youth organization sponsored by the Ninth District of the American Legion will compete in marching and music in the monster parade to be held on Irving Park boulevard from Milwaukee avenue to Portage Park on Sunday, May 24.

Prizes will be awarded to the winner in each class consisting of the Boy Scouts, Sons of the American Legion, Girl Scouts, Cub Packs, Brownies, Sea Scouts, High School R. O. T. C. Bands, Boy Scout Bands, Boy Scout Drum and Bugle Corps, Sons of the American Legion Bands, Junior Legion Auxiliary, Legion School Award Winners, Legion Drum and Bugle Corps, Youth Patrols, and other Legion sponsored youth organizations.

Under the able direction of Joseph L. O'Brien, junior vice-commander of the Ninth District of the Legion, plans have been completed for this amazing demonstration of youth activities under Legion guidance. Youth Organizations sponsored by the twenty-seven American Legion Posts and Auxiliary Units in the Ninth District will be in the parade.

Lead by Victory Post's drum and bugle corps, Class B champions of the state, the parade will step off promptly at 2:00 p. m. from Irving Park boulevard and Milwaukee avenue.

Then will follow in order, the District Colors, District Officers, Legion Auxiliary Colors, District Auxiliary Officers, Palmer Square Junior Drum and Bugle Corps, Distinguished Guests and then the youth organizations in the six areas into which the Ninth District is divided. Of these areas, Area No. 1, consisting of Des Plaines Post, Mount Prospect Post, Merle Guild Post of Arlington Heights, Palatine Post and Barrington Post, will lead. Des Plaines Post will be represented by a Corps of the Legion Drum and Bugle Corps; Mount Prospect by a mixed Cub Pack and Boy Scout Drum and Bugle Corps; Merle Guild Post by a Sons of the Legion squadron, and a Boy Scout troop; Palatine by a Boy Scout Troop and Barrington by a Cub Pack. Past Commander, Vic Beech, of Merle Guild Post, is chairman of Area No. 1.

The parade will terminate in Portage Park where experts in judging will award the prizes of which there will be many. After the various units have been judged, they will assemble in Portage Park, where they will hear nationally known leaders of Youth Activities and music by high school bands.

Ninth District Commander Joseph F. Bernhard will deliver the address of welcome. George A. Rohde, senior vice commander of the Ninth District will act as Parade Orders chairman.

Frank McBride, former member of Merle Guild Post and at present a member and instructor of the crack Mel Tierney Drum and Bugle Corps of Park Ridge, three times Class A state champions, will head the committee on judging and awarding of prizes.

## Mothers and Daughters Banquet Is Well Attended.

St. Paul's Ladies' Aid honored the congregation at the annual banquet Wednesday evening. The banquet was served by the social committee with Mrs. Helen Wente as chairman. The menu consisted of escalloped potatoes, baked ham, radishes, celery, onions, rolls and ice cream roll and coffee.

Mrs. Alvina Mess,

## PALATINE

Mr. and Mrs. Geo. Henning left Tuesday for Wisconsin, where George will spend two weeks vacation.

All the children of the grade school are happy these days. Wally is back upon his janitor's job. He was ill several weeks and was missed by his little friends.

Rev. John C. Voeks and Mr. W. A. Danielsen of St. Paul's Evangelical church attended the special conference held at Elgin, May 6 to 8. The delegate will give his report at the church Sunday, May 24.

Mr. and Mrs. Richards and son and Mrs. Frank Hall were Sunday visitors at the home of Mrs. Margaret Godknecht.

For Sale—Ice box, \$3. Phone 264.

The Misses Lauffenburger entertained on Sunday their sister, Mrs. Philip Ames and children of Harvard and their brother, Ed. Lauffenburger and family.

Robert Kimball entertained his daughter's family, Mr. and Mrs. Louis Hubbard, of Chicago, Sunday.

Mr. and Mrs. Andrew Kettelsen and Mr. and Mrs. Geo. Wilson attended an Eastern Star meeting in Minooka, Ill., Tuesday evening.

Mary Samson entertained the girls of the class of '34 at her home in Barrington, Tuesday evening.

The Harmony Snatchers, high school dance orchestra, will play for the prom of the Elia high school.

Rev. and Mrs. Stafford, of Chicago, were Palatine visitors last week. Mrs. Stafford attending the meeting of the W. F. M. S. while Rev. Stafford shook hands with his former friends.

Mr. McMaisters and mother are planning upon leaving Palatine in the near future and will reside at McGregor, Iowa.

Members of the P. E. O. enjoyed a May breakfast Saturday morning at the home of Mrs. Langhorn.

Chas. Wente is recovering nicely after his return home from Rochester and is looking forward to the time when he will again be able to be on his feet.

Mrs. J. C. Voeks was the speaker at the mother's and daughter's banquet at St. Peter's church, Niles Center, Tuesday, May 12.

The Lutheran Maennerchor is sponsoring an entertainment on May 28, which will consist of a group of short plays to be given in the Lutheran school hall, starting at eight o'clock. Tickets are 35 and 15c and can be secured from members.

Palatine school children had a half day holiday last Friday due to

**J. C. SCHMIDTKE, M. D.**  
Physician and Surgeon

## CLOSE OUT SALE

of Entire Stock of Men's Women's and Children's Shoes

Owing to poor health I am closing out my stock of shoes and will hereafter confine myself to repair work only.

I am offering all my shoes in stock at cost and less. Included in the stock are many high quality shoes upon which very low prices have been marked.

There may not be all sizes, but the bargains are so great every family should call and see if they can be fitted with shoes at the low prices that will exist until entire stock is disposed of.

May 31, Sunday, Baccalaureate service by Rev. Sidney Bloomquist.

June 1, Monday, Senior class program, 8 p. m.

June 3, Wednesday, graduation exercises.

a teachers meeting at Evanston.

Palatine was well represented at Knox college over the week-end. H. A. Kincaid, accompanied by Martin Plate, member of the board of education and Shelby North and Marvin Plate drove down Friday evening, returning Sunday. The two boys were among sixty others who took a competitive scholarship examination. Saturday afternoon, Mr. and Mrs. S. R. Paddock with their daughter, Mrs. Margie Flanders and Mrs. Ed. Neagle drove down for Mothers' Day when they were guests of Phi Sigma Kappa, the fraternity of their sons. They also remained over Monday to attend Military Day R. O. T. C. exercises.

Chas. E. Julian had the misfortune to fall while attempting to move a refrigerator off the rear porch and fractured a knee cap. He is now at home, but he will have to be patient for some time to come.

Officer Wm. Kable had a narrow escape from serious injury when the rear wheel of his motorcycle was struck by a car driven by T. E. Davis of Barrington. William was going east on Slade street and the car was traveling north on Plum Grove avenue. The motorcycle sustained the only "injuries."

The members of Palatine Rebekah Lodge No. 116, who attended the twenty-fourth annual assembly meeting of District No. 3 at Barrington, were Gertrude Smith, Minnie Seip, Laura Hildebrandt, Lena Deverman, Esther Deverman, Florence Parkhurst, Clara Wienecke, Ann Haldeman, Emma Vogt, Florence Roesser, Mattie Service, Adelaide Kimball, Marie Bockelman, Lillian Bergman, Emaline Godknecht, and Martha Meyer of Arlington Heights.

Palatine Rebekah Lodge No. 116 will hold Noble Grand and Deputy night Thursday evening, May 21, having as their guests the Noble Grands and Deputies of District No. 3.

Mr. and Mrs. John Umbdenstock and Mrs. C. Vehe motored to Long Grove Sunday where they decorated their mother's grave.

Mr. and Mrs. Frank Wasser entertained Mr. and Mrs. Joseph Jirak and sons of Arlington Heights Sunday.

Mr. and Mrs. Gustave Well entertained their family for Mother's day. Mr. and Mrs. Albert Well and sons of Norwood Park, Mr. and Mrs. Ed. Well of Chicago and Mr. and Mrs. Irving Behling and Nancy of Palatine, who make their home with Wells.

Mr. and Mrs. Gus Arps had a turkey dinner Sunday for their children. Mr. and Mrs. Plinn Arps and sons of Michigan and Mr. and Mrs. Elvis Foster and son.

Miss Ella Comfort spent three days last week with her niece and nephew at Algonquin.

Mrs. Albert Will and son of Norwood Park visited her mother, Mrs.

Gus Will, Tuesday. They motored to Dundee, where they visited Mrs. Wm. Schultz in the afternoon.

Mr. and Mrs. Erwin Orth visited his mother in Milwaukee, Mother's day.

Mr. and Mrs. Irwin Biere and family of Long Grove spent Monday evening with their aunt, Mrs. Caroline Vehe.

Mrs. McIntosh left Thursday for her home in MacGregor, Man., Canada, after spending several months with her daughter, Mrs. A. D. Lundy, who, with Mrs. Lundy, Sr., and Marilyn, accompanied her on her return to visit in Winnipeg, their former home.

Mrs. Al. Paltz has returned from the hospital much improved in health.

Mrs. Wm. Kable and Mrs. Don Le Baron, were Evanston shoppers Friday.

Mrs. Elvora Foster presided as president of Rebekah district meeting at Barrington last Friday. She had an unusual honor in having her mother and father as her guests of honor, who have been members of the order since July, 1884. As this was known as the "Sunshine Year," the hall was decorated in yellow flowers and the officers all wore yellow dresses.

Mrs. Foster received many beautiful gifts from the officers of the day, relatives and friends.

Wesley Comfort Cropper attended the annual reunion banquet of the graduates of Blackburn College Friday evening.

Mrs. R. F. Mix entertained for Mother's Day at the home of Mrs. H. A. Swick, her daughter, Miss Ella and three sons and their families of Chicago.

Mrs. A. J. Roberts spent Mother's Day with her daughter, Maurine, at Champaign.

The Wide Awake Circle of the Rebekah Lodge held their regular monthly meeting at the home of Mrs. George Wienecke Wednesday evening. After the usual business meeting, the rest of the evening was passed by playing bingo.

Miss Emma Grace Trepus came home from DeKalb to spend Mother's Day with her mother.

Miss Dorothy Meyer is on her vacation from duties as operator at the telephone office.

Miss Alice Harz entertained the girls of her graduating class and a few other friends at bridge at her home on West Chicago avenue, last Friday evening. A delicious lunch was served.

Miss Ella Comfort had as her Sunday dinner guests, Mr. and Mrs. W. R. Comfort and family, Mr. and Mrs. Leo Napermann of Algonquin, Mr. Wesley Cropper and Miss Virginia McDonald.

Mr. and Mrs. Eisle have moved into Mrs. Toynton's house on West Wilson street. Mr. Eisle is a retired fireman. Mr. and Mrs. Stuits and family vacated the former place and are now living in the Fred Vogt house on the corner of Comfort and Easy street.

Miss Dorothy Meyer, Vernon Bergman, Margaret Taylor and Marie Kastning motored to Champaign Saturday afternoon where they attended the spring formal banquet and dance of the Alpha Gamma Phi Fraternity of the University of Illinois to which Mr. Harold Bergman is a member.

Mrs. Elvora Foster entertained the Alma club at her home recently. This club is composed of the district officers, noble grand and vice grands of district No. 3, of Rebekahs. The evening was spent in a social way. A delicious lunch was served at which time the guests were presented with a gift from Mrs. Foster, the president of the district.

Palatine Rebekah's had charge of the Memorial service at the district meeting of the Rebekahs at Barrington last Friday.

Mr. and Mrs. William Godknecht and family spent Sunday at Fort Atkinson, Wis., as guests of Mr. and Mrs. Ray Fox.

Alice May and Elaine Seip of Des Plaines attended the mother and daughter banquet at St. Paul's church Wednesday evening.

The annual summer round up of the pre-school children will be held May 26 at the Municipal building in the Child Welfare room. All mothers are urged to bring the children.

The Girl Scouts are sponsoring a movie at which time popcorn and candy will be on sale at the Odd Fellow's community hall, Wednesday evening, May 20, at 7:30 p. m. The girls cordially invite every one to attend their show.

Mrs. Lewis, mother of Mrs. Eric Burklund is very sick at her home and under the care of a trained nurse.

Mr. and Mrs. Gus Arps entertained their children at a family dinner Sunday. Mr. and Mrs. Plinn Arps and son, Lawrence of Coldwater, Michigan; Mr. and Mrs. Bert E. Olson and daughter, Bertine of Chicago and the Fosters of Palatine.

Mr. and Mrs. Howard Daniels of Chicago, were guests at the home of Mr. and Mrs. Tom Daniels Sunday.

Mrs. Anna Rohde of Des Plaines attended the mother-daughter banquet at St. Paul's church, Wednesday evening.

The American Legion auxiliary and the legion boys enjoyed a family pot luck dinner and social evening last night.

## BOY SCOUT NEWS

Billy Godknecht's parents are invited to the investiture ceremony the 19th. The honor rating contest sponsored by the American Legion Post is coming to a close at the end of the month, so get busy scouts, the prize is a week at Camp Oh-Da-Ko-Ta. There was a scout book left at last meeting and Bob Jensen has it at home and will bring it to next meeting. All recruits who want to pass or practice tests, see your patrol leader or other officers.

Watch these columns for news each week.

English service at 10:45 a. m.  
Text: John 16, 23-30. Theme: A believing Christian's true prayer to God.  
Monday, May 18, 8 p. m. The Bible Hour.

## Thursday, May 21, 8 p. m. Ascension Day service in the German

Text: Acts 1, 1-11. Theme: The duty of Christ's disciples after His Ascension into heaven.

## No Water in Taverns

Most of the taverns in early Ohio prohibited the use of water in their second-floor rooms lest it would be spilt and damage the ceiling and furniture beneath. Instead the guests found a tub beside the pump in the yard for the morning ablution and shave.

## A Telephone Can't Gather Eggs!

Imagine the panic in the hen-house if it tried! Decidedly such tasks are not for the telephone. But the telephone has other very proper uses which are essential to farm management. One of the most important of these is to afford quick communication at any time between the farm and the market. Lack of such contact when needed might endanger the profit from a season's

labor. Careful buying as well as selling is also a factor in farm profits and here again the telephone can give useful aid. With its day-by-day savings, its earnings and the protection it gives to home and family, the farm telephone is an economy, not an expense. No farmer, no matter how few his acres, can really afford to be without a telephone.

For the greater comfort of

**Hot water on tap**

**RUUD DE SOTO**

**AUTOMATIC GAS STORAGE WATER HEATER**

**\$1.50 DOWN**

**50c A WEEK**

Payable monthly with your gas bill.

10% allowance for your oil, coal, or furnace coil water heater

What a comfort to have plenty of hot water ready for use whenever you want it! Heated automatically at reasonable cost! This modern water heating method means no more running up and down steps! No chance of forgetting to light the heater! No doing without hot water all summer because the furnace is shut down!

Our low cost payment plan makes it possible for any family to enjoy perfect hot water service, day and night, summer or winter. Take advantage of our liberal offer.

## Assembly Program

The assembly program last Thursday was given by the Dramatic club and the newly organized boys' glee club, in honor of the mothers of P. T. H. S. students. Many mothers were present to enjoy the program.

The dramatic club under the direction of Miss Jumps presented "The Valiant," a very serious one-act play. The drama took place in the warden's office of a prison and concerned a young man about to be executed for murder charges.

The cast consisted of Norris Kells, the warden; Marvin Plate, the murderer; Henry Weiler, the father; Ruth Stroker, the murderer's sister; Lowell Haenker, the executioner; and Leslie Deverman, an attendant.

The boys' glee club made their first appearance by singing "Come to the Fair."

After the program the mothers were cordially invited to visit the classrooms and to attend the reception given by the Dramatic club in the afternoon.

## News Flashes

The Senior farewell party is tonight. See you there.

Maybe we should have a visiting day more often. It serves as an inspiration for well prepared lessons.

Only ten more days of school, and then—the Prom, Class Night, and Graduation.

Well, maybe the warm weather effects Ray Porep. He's been reading the "Good Manners" book—or is it that he anticipates attending the Prom?

The time has come when girls get curly hair over night.

Janet and Bill were on different teams for the civics debate. Embarrassing?

Ole's rumble seat is very nice these days.

Sing-Sing enjoyed a picnic Thursday.

Miss Jumps' English classes are increasing their vocabulary and learning to pronounce every day words often mispronounced.

The faculty attended a Cook County Institute meeting at Haven school Friday afternoon, and enjoyed speeches by County Superintendent Puffer, and Dr. Schuman of the Univ. of Chicago. The latter discussed "The trend of education in Germany."

The junior girls have gone prom crazy. Last Friday they had a little picnic at school, and worked during the "free" afternoon.

The Harmony Snatchers played at a Leyden dance Saturday night.

## Hu-Per-Du

One of our students are growing up. They were seen at the Junior Prom at Champaign.

Let's have an assembly program composed of silly sign language. Perhaps we could wear out some of those people who are waving their fingers and hands about.

Have you noticed how pre-occupied and worn looking our little juniors have been of late? That's because they have been working so hard preparing for the Prom. They're getting results now, and it inspires them to keep working.

Order your copy of the Spotlight now. It's coming out class night.

Ask Goosy how big that fish was she caught last Sunday.

Have you noticed how industrious our seniors are? From the reams of paper and number of pens flying around, our conclusion is that book reports are due.

## District Meet

Eddie Kraft won a fifth place medal in the javelin competition at the state district track and field meet held at Evanston last Saturday. Eddie ranked third in the preliminaries. His first throw of 143 feet was his best. The winning throw was 151 feet. Hahnfeldt set the district record in this event last year with 181 feet.

Tom Phillips was the only other Palatine athlete entered by Coach McElroy. He did not place in the 880 yard run. The only Northwest conference athlete to place in any track event was Madden of Libertyville in the 220 yard dash. Arlington Heights did not enter the district meet this year.

Conf. Meet May 23  
Next week Saturday the conference meet will be held at Leyden with preliminaries in the morning and the field events and dashes. Libertyville is expected to score a top sided victory this year.

Palatine's team of new men is expected to score but few points. Last year Palatine ranked third in the conference. Waggoner, a star dash man and broad jumper and Foster who took third in the shot were expected to lead the Pirates to just as high a standing this year, but Waggoner dropped out of school and Foster has so far been ineligible due partly to illness.

The men and events where Palatine is pinning its hopes of winning points at Leyden are as follows: Deverman in the 220, Kuhn in the 440, Phillips in the 880, Friese in the mile, Kraft in the javelin and discus and O'Brien in the broad jump and low hurdles.

## Senior Farewell Party

The last all school party of the year will be held tonight. It is a farewell party given for the seniors. An entire evening of fun is planned for their enjoyment. Tickets are being sold by the social chairman.

Be sure you have yours. All who are sentimental and regretful at seeing the seniors depart please furnish your own handkerchiefs.

## Can You Imagine?

Why Ray Porep is going bankrupt? (The teachers are catching him chewing gum too often).

Why the boys' glee club wouldn't sing another number for us Thursday?

How glad we are to be blossoming out in summer clothes?

Why one freshman girl is so sweet to one senior boy? It is going to be a wonderful PROM this year.

How many people were sniffing while watching the play Thursday?

Who Fat is instructing in golf?

How busily the juniors have been working on Prom preparations.

## Question Box

Do you think war is the proper way to settle international disagreements?

Ruth Luerssen—No, I don't think so because the people who start the disagreements are not the people who have to fight the war.

Herbert Noftz—No, I don't think wars should be the way to settle disagreements. Each country, or representative should give his opinion, and then all of the representatives should compromise and settle in this way. War is too costly, nowadays, just because some country can't agree with the other, as Italy and Ethiopia are now.

## Sing-Sing

Sing-Sing made its premier appearance in the assembly last Thursday. It was a Mothers' Day program, and after a very impressive play given under the direction of Miss Jumps, the boys came on the stage to sing "Come to the Fair." It was an appreciative audience that heard this number, and when it was over, they called for more. The boys themselves, of course, were elated. Mr. Sizer promises that more will be heard from these boys in the future—if not this year, certainly next. A great time was enjoyed by all the fellows who joined the organization, and those who are not graduating this June are looking forward with great anticipation to the club next fall.

## Physics News

No, the Physics classes have not been having target practice or track meets lately. The shooting that has been heard out on the campus was done in the course of an experiment to determine the velocity of sound. Nothing more dangerous than blanks was shot. The experiments checked rather nicely with approved values, but to only one significant figure. On Friday morning a clothes line was tied to the goal post, and stretched tight. Transverse waves were then sent along the line and the class noted how they traveled. The fine weather was a great incentive for outdoor laboratory work, and the classes enjoyed taking advantage of it. In class, experiments were performed to demonstrate that an electric doorbell could not be heard ringing, if it was in a vacuum, even though the clapper was violently banging against the gong of the bell. The study of sound is to be concluded this week, and a brief time will be spent on the subject of light.

## Palatine Track Team Loses to Libertyville Score of 58 to 46

Libertyville defeated Palatine 58-46 in a Fresh-Soph meet on the Pirate field Tuesday. Most of the meet was staged in a down pour of rain which had something to do with poor marks particularly in the broad jump and pole vault. Six boys did all of the scoring for Libertyville. Getchell with 16, Ensvold with 13 and Sitz with 11 were the leaders.

Palatine's scoring was distributed among 12 boys with Kuhn, Haenker, O'Brien and Friese the leaders. Kinn, Palatine's 190 pound star in the weight events, was absent.

400 Yd. Dash—Won by Ensvold (L); Kuhn (P), second; Wilson (L), third; time 1:11 sec.

220 Yd. Dash—Won by Ensvold (L); Getchell (L), second; Kuhn (P), third; time 25.5 sec.

440 Yd. Dash—Won by Kuhn (P); Ensvold (L), second; Demlow (L), third; time 58.6 sec.

880 Yd. Run—Won by Friese (P); Thompson (P), second; Hajek (P), third; time 2:26.5 min.

110 Yd. Low Hurdles—Won by Smith (P); Sitz (L), second; O'Brien (P), third; time 15.6 sec.

440 Yd. Relay—Won by Libertyville; time 51 sec.

Pole Vault—Won by Mayer (P) and Swan (L) tied; O'Brien (P) and Stoenner (P) tied for third; height, 8 ft.

High Jump—Won by Haenker (L); Getchell (L), second; Swan (L), third; height 5 ft. 3 in.

Broad Jump—Won by Wilson (L); O'Brien (P), second; Kuhn (P), third; distance 16 ft. 7 1/2 in.

8 Pound Shot—Won by Getchell (L); Sitz (L), second; Haenker (P), third; distance 43 ft. 4 1/2 in.

Junior Discus—Won by Sitz (L); Rennack (P), second; Nangle (P), third; distance 129 ft. 9 in.

Javelin—Won by Getchell (L); Haenker (P), second; Swan (L), third; distance 107 ft.

THIS EDITION OF THE  
SPOTLIGHT  
IS SPONSORED BY  
SCHROEDER'S PHARMACY

## Ag News

The Ag. 2 boys studied the judging of sheep and steers last week. Friday they cut seed potatoes and also went to Clarence Schroeder's place to judge a ring of cows and look at the new electric fence they have. This Monday they took up the study of horse parasites. Included in this is the life history of the parasite, the symptoms and the treatment.

The study of legumes was continued last week by the Ag. 1 class. The legume studied was alfalfa. They learned that the reason it is poor farm management not to raise any legume is the legumes are profitable as feed, in rotation, and as a soil builder. It was also learned that alfalfa is the main legume grown as shown by the ever increasing amounts seeded each year. The annual spring vocational agricultural livestock judging contest for section 2 will be held at Sugar Grove on Friday, May 15. There will be 22 schools competing in the contest. The dairy team from Palatine will consist of Elias Plonsky, Arnold Friese and Howard Freeman. The fat stock team has not been selected to date. The dairy team must place 8 rings of dairy cattle and the fat stock team must place two rings each of hogs, sheep, beef cattle and horses.

## PUBLIC SCHOOL

### HONOR ROLL

#### Third Grade

Super Honor Roll—Marian Birks, Betty Jane Bockelman, Darrell Boivin, Charlotte Heiden, Ralph Pomeroy, Anna May Starch, Olive Walt, Roy Wentz, Thomas Zelsdorf.  
Honor Roll—Elinor Bohlin, Jean Duncan, Dolores Hauser, Mary Lou LaLonde, Chesley Rapp, Walter Scheribel, Clarence Vogt.

## Palatine-Northbrook Are Tied Again

Once more two Palatine teams came out in an event break with two Northbrook fives when the Palatine delegation journeyed to Northbrook last Wednesday night. The Palatine A team defeated one Northbrook A team two games to one and the Northbrook B team evened it up by beating the Palatine B team by the same score.

The feature of the evening was the duel between Charlie Seip and Bill Landwehr who were lead off men for their respective teams. Charlie started like a wild man with a 200 game to start with. That was too many for Bill who rolled a good game himself. But after that Bill and his Florida ice cream trousers and 18 holes of golf that afternoon were too much for Charlie and try as he would Bill beat him by four pins in the second game and then repeated by the same margin in the final tilt.

Harry Schuppe bowled with the A team and delegated his place opposite Joe Stall to Uncle John Kitson.

Seip says Harry had a bunch that Joe was going to get hot and give him a trimming so he sidestepped and let Uncle Joe take it.

At any rate Joe was going the best he had all year and was in shape to take anybody so Uncle John had to take the trimming that Joe had all bottled up for Harry.

That ended the rivalry between these outfits for this season, but they will be back at it again next winter.

After the bowling the Northbrook folks led everyone upstairs where a big table was loaded down with sandwiches and coffee and everyone did justice to the hospitality of the hosts. That table was one place where Charlie Seip scored over his old rival Bill Landwehr and he was about two sandwiches in the lead when the plates were cleaned up.

## ALUMNI TO MEET

The Palatine high school alumni association will hold a meeting Tuesday evening, May 19, at 8 o'clock at the high school building. The officers request a good turn out.

## Palatine Alleys Have 10th Birthday This Month

Chas. Dinse, manager of the Palatine alleys says that this month is the tenth birthday of his alleys and that the season which is nearing its close, has been one of the most successful. He is very much pleased with the support that has been given the sport by local bowling fans. Four nights each week has been reserved this season by bowling leagues.

Mr. Dinse states, "I want to thank all of the bowlers who helped to make the past season so successful, and if these people will tell their friends about the many good times they had and the great sport and friendship builder that bowling is today, we can all enjoy ourselves still more next year. I will be glad to talk it over with any who are interested. I hope to see all of the boys again next September and wish them all an enjoyable summer."

Special To Palatine League Bowlers

Due to the hot weather the "over your average tournament" will not close until May 25. There will be a beautiful trophy and cash prizes.

Major League Trophies

Individual trophy was won by Wm. Weirich with an average of 193 for 99 games.

Team trophy was won by Goldie & Red with first place. The other teams finished: Bank Tavern, 2nd; Suburban Dairy, 3rd; Meadow Grove, 4th. The annual banquet was held at Kitten Korers. This league averages 165 to 193.

Alley Owners Hold Field Day

The Northwest Alley Owners association, of which Chas. Dinse is president and comprising eleven alleys will hold its annual field day next Monday at McHenry. Following a luncheon there will be a golf tournament.

The Mixed League of ladies and men closed their bowling season and held a banquet at the Lynn dining hall where a delicious meal was served. This league enjoyed their bowling and friendship very much.

Business Men League

Pontiac won 1st place.

Schoppe-Matthel tied for 1st.

Ponors took 3rd place.

Schmidt Bros. took 4th place.

Ted Wanberg won first place of individual average of 173.

## Junior League

Daisy Service, 1st place.  
Kurz Service, 2nd place.  
Depot Tavern, 3rd place.  
Preiberg, 4th place.

On individual average the trophy was won by Art Christofferson, 170 average. John Dehne came within 12 pins of winning the cup.

Trophies are on display at Schoppe Bros. store.

Bowlers who made 600 pins and over for three games:

M. Perry, 708; C. Schmoldt, 690; Weirich, 688; Sanborn, 658; Schowlow, 649; Witt, 647; Koepf, 643; J. Gahlbeck, 640; C. Taylor, 640; Arndt, 628; Kleinsmith, 628; R. Schoppe, 623; Dr. Kirsch, 649; J. Depue, 622; O. Krohn, 618; Wanberg, 614; H. Popp, 612; Collignon, 606; Herb. Gossweiler, 605; Lynn, 605; R. Engelking, 604; C. Hans, 602; I. Hahnfeldt, 600.

## ARLINGTON HEIGHTS

## Society Events

Mrs. P. J. Mors whose birthday is on May 17, will entertain her old group of friends in her home on Saturday, the 16th, to help her celebrate the day and you may be sure they will make it the happiest of all her anniversaries.

Miss Lou Elfeld came from Chicago Sunday to join a group of friends in the home of her brother, Doctor E. A. Elfeld, to help in celebrating the birthday of Mrs. Elfeld's sister, Miss Hattie Faust. It was just old birthday group intimates Mesdames H. C. Cleveland, S. C. Hodgkins and F. A. Whiting. They certainly helped to scare away the bugaboo of nostalgia which had threatened Miss Faust, a weeping for her St. Louis home. Of course they missed Mrs. Elfeld who just about this time is also "a weeping" for her home in the Heights. Get together groups are cure alls for many of our headache hours and those who are from home should be often in our remembrance.

Mrs. Clarence Zinkel (nee Agnes Mayer), entertained in her home on North Danton avenue, the office force of the telephone exchange, Thursday night last week, the supper most appetizingly and temptingly arranged, consisted of a chop suey menu with all the accompanying frills and set offs. It was just plain "good to eat" stories. There was all that goes to make a grand good get-together of friends who to each other do not have to call "Number please." There are not enough such bright spots spread for those faithful patient switch board ladies who have to bear the blame of our blunders.

Mr. W. F. Post gave one of the popular social evenings in the Park Friday last week. There were about fifty guests engaged a "man-made" supper Comedies Heffner and Wilcox in charge. The menu consisted of baked ham, cheese and bread, whatever goes to make a man-sized meal, all good things to eat. Cards and games, reminiscing and "who ever told a bigger" stories. Those that tag on "Nothing but the truth" Of course the beauty of it was the men had to wash the dishes and clean up the mess, yet it was a jolly good supper.

The Friendly Class at their meeting Tuesday afternoon presented a practical program on food preparation and serving. A Mrs. Bates from the city, a professional demonstration, gave an interesting dissertation on the preparation of various food values. Ferdinand Blum demonstrated the carvings of different cuts of meats. This food feature was followed by a food or bakery sale. A much appreciated and successful program.

Dr. and Mrs. Howard G. Dunn went to Chicago Saturday evening, May 9, to attend the marriage of her sister, Miss Ruth Matson and Mr. William Smith. The Rev. Bunker of the Crane Memorial Presbyterian church, solemnized their marriage vows. The bride was attended by her sister, Miss Florence Matson. The bridegroom was attended by Mr. Arthur Kuhns. After the ceremony there was a reception for the bridal party in the home of the bride's mother, Mrs. Arline Matson. You may be sure the bride was becomingly gowned and judging from the sister, we know and admire, she must have been radiantly beautiful. It was a quite sensible home wedding the newly weds will make their new home in an apartment near her mother. All made ready for them.

The Auxiliary of the V. F. W. went to Elgin Sunday to carry their budget of good cheer and good cats, candy and crackleback, to our soldiers in the hospital there. As is their custom, the members of the Post sent cigarettes to their comrades. There were many messages of good cheer. Those who went to carry these kind remembrances were Mrs. A. Adams, Mrs. O. G. Belie, Mrs. Clausen, Miss Ruth Heffner, Mrs. Martha Mors, Mr. and Mrs. Wm. Beckman, Mr. and Mrs. Will Lauterburg and Mr. and Mrs. Herman F. Meyer. This thought for our soldiers on Mother's Day, was an expression of the mother heart of humanity reaching out to our heroes to tell them we do not forget. They fell not on the poppy fields. In broken forms they linger yet; How small the price our nation yields. Like earlands hung on broken shields. Shall we not here express regret, lest we forget, lest we forget. We deck the soldier's graves with flowers. Shall we the living here forget, who linger, shorn of all life's flowers. Who in living death are with us yet? Lest we forget, lest we forget! Remembered Every Day, May 25.

The Junior League of Arlington Heights Woman's club, entertained the mothers and members of the Woman's club to a tea in honor of Mother's day Sunday, May 10, from 3:30 afternoon. There was no stated program, just get together most enjoyable party. The seniors chatted and the juniors "chattered." An informal cheerful good time for all. The refreshments served in a dainty delicious manner. There was a large attendance. The decorations were beautiful expressions of blossom time, as were also the graceful hostesses who so prettily served this tea to the mothers. One beautiful feature of this united senior and junior tea was sending an indescribable artistically arranged basket of all the Maritime Favorite flowers to an absent member—the eldest woman in the club. This

lovely basket of flowers was taken to the elderly member by two of her beloved friends among the juniors, Miss Dorothy Helm and Mrs. Rossiter. Her joyful emotions are as wordless prayer and song, she applies for admission to the juniors. God bless them.

## RED WINGS WIN HOME OPENER

Score Second Successive Shutout, 5-0.

With the entire team doing a lot of fine stick work, and the pitchers turning in their usual capable job, the Red Wings scored an unexpectedly easy win over the Guy Bush Gassers of Chicago. Deiderich, Schaeffer and Johann split the pitching assignment, allowing a total of five well scattered hits to score the second shutout of the season in as many starts. Deiderich, due to his inability to find the plate, was in hot water all during his three innings on the mound, but always had a little extra something in the pinch. Ray Willert, with three singles, and "Duke" Kopplin and Bill Deiderich with two hits apiece were the big guns of the Red Wing attack.

Timely hitting and smart baserunning accounted for two runs in the third. Deiderich singled, moved to second on a sacrifice by Tossman, and scored on Kopplin's single to left center. Kopplin's single second on a throw to the plate. Joe Brodman then whiffed for the second out and Irv Kehe singled thru the box scoring Kopplin. Franky Brodman went out, pitcher to first, to end the inning.

The boys picked up three more runs in the fifth on a double by Schaeffer to open the inning. Kopplin's second successive single, an error by Irv, the Guy Bush shortstop, on Kehe's grounder and singles by Ray Willert and Rox Bolte.

## To Have Contentment, Happiness

One of the first steps to contentment and happiness is to learn not to begrudge other people the things they have because you can not have them.

## First Camboree Of N. W. Scout Council May 22 and 23

The Northwest Suburban Council Boy Scouts of America will conduct its first annual Camporee under the plan as recommended by the National Council Division of Activities on May 22 and 23 at the Lion Park, north of Des Plaines.

The Camporee is a program whereby the various troops of the Council camp overnight organized on a patrol basis under their own troop and patrol leadership. The patrols participate in this camping project and demonstrate their ability to camp and undertake in Scout-like projects under their own boy leaders.

The troops through their patrols qualifying for an agreed standard of proficiency which include proficiency in personal inspection, campcraft, scoutcraft and projects and the basis for scoring is a possible perfect score of one thousand points.

The patrols will arrive at the camping site Friday afternoon after school, will set up their camp and prepare supper. An evening Campfire program will be presented to which the general public is invited. Saturday morning will be given over to improving the camp sites and various patrol projects carried on under their own leaders. Following dinner Saturday a parade of all the Scouts participating along with the various Cub Packs of the Council will be held. This parade will be led by the Boy Scout—Cub Drum and Bugle Corp of Mt. Prospect. The evening will be given over to a series of Scoutcraft competition projects which are as follows: Signaling, Layout Square, Height Judging, Fire Building, Knot Relay, Blanket Rolling, Pup Tent Pitching (two tents to a Patrol) Chariot Race and Stock Relay.

The evening program will consist of a Council-wide Court of Honor.

## Staying in Same Class

Life should be like the transition from class to class in school; unfortunately, in life, too many of us are content to stay always in the same class.

## OBITUARY

## LOUIS J. MILLER

Mr. Louis J. Miller, born October 26, 1854, in Holzhausen, Germany, was baptized in Germany and came to the United States at the age of 9 years with his parents and located at Elk Grove. He was confirmed at Arlington Heights, Ill., on September 27, 1883. He was united in marriage to Miss Sophie Steinmeier by Rev. Roeder at the Arlington Heights Ev. Lutheran church; four children were of this union, 1 passing away in infancy. After marriage Mr. and Mrs. Miller made their home in Schaumburg for about 2 years and then for the next period of years they lived in several places.

The last 18 years they have made their home in Arlington Heights, where at 221 S. Evergreen Ave. Mr. Miller passed away Tuesday morning, May 12, 1936, at 9 a.m. at the age of 81 years, 6 mos. and 16 days. He leaves to mourn his departure his loving wife, Sophie, and 3 living children, Louis and Henry, of Arlington Heights, and Mrs. Catherine Heiden of Oak Park; 2 daughters in law, 1 son in law, 5 grandchildren, 2 sisters, Mrs. Catherine Tegmeier of Wheeling, W. Va., Mrs. Anna Bornkamp of Arlington Heights, 11 brothers in law, 7 sisters in law.

Funeral services will be Friday afternoon, May 15, 1936, at 1:30 p.m. at Mr. Miller's home at 221 S. Evergreen and at 2 p.m. at the St. Peter's Ev. Lutheran church at Arlington Heights. Revs. Noack and Fricke officiating. Funeral arrangements by Karstens, interment in St. Peter's Cemetery.

## AUGUST SUNDERLAGE

Mr. August Sunderlage was born November 29, 1882, in Schaumburg, Ill., here he spent his boyhood days. Mr. Sunderlage was married to Miss Dora Hansen at Schaumburg by Rev. Theiss. They made their home in Schaumburg for a number of years, then they went to Roselle where Mr. Sunderlage had a general store for the past 22 years. Mr. Sunderlage passed away Friday afternoon, May 8 at his home at the age of 53 years, 5 months and 19 days, he leaves to mourn his departure

his loving wife, Dora and one son, Wilbert, 2 sisters, 2 brothers, 4 brothers in law, and 3 sisters in law. Mr. Sunderlage lay in state at Dzur and Karstens Funeral home at Roselle until Tuesday noon. Funeral services were held at the Roselle Lutheran church Tuesday afternoon, May 12, 1936, at 2 o'clock, Rev. Mehler officiating, interment in Elmmlawn cemetery, Elmhurst, Ill.

## Salutes Sacred Cow

In saluting a sacred cow, a Hindu first touches the animal with his fingertips, then brings his fingers to his lips and breast in salute.

## First Presidential Veto

The first Presidential veto was by Washington on an apportionment bill in 1792.

## Two from Arlington Sign For Military Training

John M. Clark of Buffalo Creek Farms, Arlington Heights, a member of Alpha Delta Phi, and Lincoln Clark, a second lieutenant in the U. S. Army, of Chicago, have registered for the summer training period at Camp McCoy, Sparta, Wisconsin.

Field work, range finding, artillery training, and practical experience in field work are part of the curriculum offered at camp. A summer camp enlistment is required of all advanced students in the U. S. Army.

## Indians in Colorado

The only band of Indians remaining in Colorado are the Southern Utes, who live in the southwest corner of the state.

## A Million Miles WITHOUT AN ACCIDENT

## Firestone HIGH SPEED TIRES

- ★ WILL STOP A CAR! UP TO 25% QUICKER!
- ★ GIVES GREATER! BLOWOUT PROTECTION!
- ★ GIVES 25% LONGER! NON-SKID MILEAGE!

## BUY ON PROOF OF PERFORMANCE

A MILLION miles on Firestone Tires without an accident. That is the record of Ab Jenkins, famous driver, who has driven on all kinds of roads and in all kinds of traffic in every state in the union. What a tribute to safe, dependable, tire equipment! Make this proof of performance your guide in choosing new tires to protect yourself and your family.

There are three important facts you should know about the tires you buy—FIRST—THE FACTS ON TRACTION AND NON-SKID SAFETY

A leading university in 2,350 tests has found that the new, scientifically designed tread on the Firestone High Speed Tire stops a car up to 25% quicker.

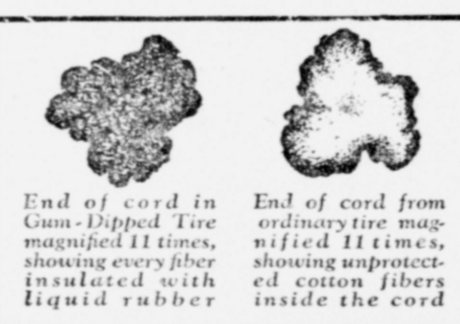

## SECOND—THE FACTS ON BLOWOUT PROTECTION

Ab Jenkins used Firestone Gum-Dipped Tires when he drove his 5,000-pound car over the hot salt beds at Bonneville, Utah, in the record-breaking time of 127 miles per hour, covering 3,000 miles in 23½ hours without a blowout or tire trouble of any kind.

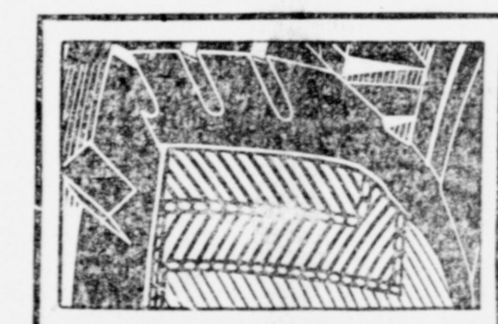

## THIRD—THE FACTS ON ECONOMY AND NON-SKID MILEAGE

The largest transportation companies in the country, such as Greyhound, to whom safety and tire economy mean business efficiency, use Firestone Tires from Coast to Coast and from Canada to the Gulf. And our own test fleet records prove that the new Firestone High Speed Tire for 1936 gives you up to 25% longer non-skid mileage.

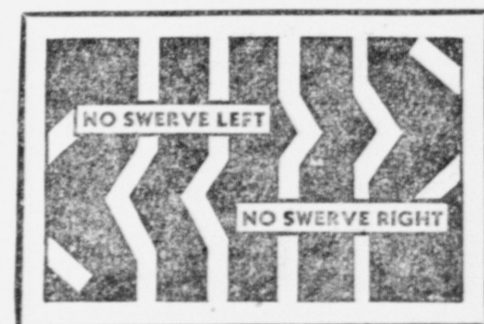

The Firestone High Speed Tire for 1936 proves by performance its superiority in all of these three qualifications. Make this proof of performance your yardstick of safety and value. Decide today to equip your car with new Firestone High Speed Tires for 1936—the safest driving equipment money can buy.

Gum Dipping not only strengthens the cords but prevents heat inside the cords, where it insulates the tiny fibers against friction and protects Firestone High Speed Tires from blowouts.

This heavy, broad, traction and non-skid tread is held to the cord body of the tire with Two Extra Layers of Gum-Dipped Cord, a patented construction, making the cord body and tread an inseparable unit.

The angles in the scientifically designed Firestone High Speed tread are so placed as to stop a car quicker and without side-suever. Its super-traction and non-skid efficiency have also been proved in the famous Pike's Peak Race where for eight consecutive years it has been used on the winning cars.

## ARLINGTON HTS.

What is the news? Folks still inquire. As in Paul's day, news they desire; Wedding bells ring, funeral bells toll, As life and death each share the roll; Thursday, the 14th, is flag day, Unfurled your flags over the way; An aged man from earth life passed Into God's better home at last; Man, by ferocious purpose torn, Shadows the joy of May's bright morn, Go to your home and close the door, And joy in peace and spring once more.

Don't forget, May 23 is the time to vote on the park project.

Ascension Day, the 21st; Pentecost the 24th of May—church services in your churches.

Dr. H. A. Kossack went to spend several days this week at his old home at McGregor, Iowa.

Friday, May 15, St. James Women's Guild will hold their first card and luncheon party in their school hall.

Mr. F. H. Sachs returned to his work this week, after a week spent at home because of a severe attack of flu. Glad to hear of his recovery.

Mrs. Charles Neuling of Chicago Heights, came over to visit her sister, Mrs. H. M. Blume Monday. She brought her nephew, James Lanz, to stay a few days with the Blumes. James has been an invalid some time and a few days with his Aunt Sophie will do him good.

Mr. Fayett Briggs and family went to Zion City last Friday night to witness "The Passion Play." They kindly took Mrs. C. P. Draper who was thrilled with the wonderful play.

Be a Red Wing Booster.

A friend here who called to see Miss Jackson recently reports her to be hopelessly regaining strength though not yet strong enough to receive too many visitors.

We are glad to hear that Dr. Persis Elfeld has left the Philadelphia hospital and gone to her home where she will take up her duties in the Delaware State hospital, where she has charge of the psychological work. Mrs. Elfeld, her mother is with her and is coming home as soon as Dr. Persis is strong and well.

May 30 is Memorial day "lest we forget."

Mrs. Charles Klehm has recently returned home from Petosky, Michigan, where she has been for some time with her daughter, Mrs. Arnold Wahlgast, nee Louise Klehm and her new granddaughter, Judith, to be baptized "Judy."

Wednesday evening last week Miss Alma Tague went to Mount Prospect, accompanied by Mrs. H. C. Cleveland, Mrs. Frank Bublitz and Mrs. Olga Henning to attend the Mother's and Daughter's banquet in the school hall. There were over two hundred guests who were entertained by a varied program of music and oratory, and a royal banquet, all prepared by man-made edibles served by real men. A wonderful appetizing, gorgeous meal of all good to eat favorite dishes. Now what more could the women folks wish for?

Mr. Henry Wing of DeKalb and his nephew, Ralph Wing of Chicago, were the guests of his sister, Mrs. Herbert F. Ackley and family Sunday.

Miss Roberta Beaty drove over from Evanston Sunday morning and took her grandmother, Mrs. D. G. Beaty to the J. Y. Beaty home in Evanston. After dinner they all drove out north and kept going until they got to Milwaukee. A fine ride and a happy mother's day treat for Mrs. Beaty. Monday Mrs. J. Y. Beaty brought home the happy mother cheered by the thoughtful way her children had remembered her on Mother's day.

We are informed that Wallace Volk, who has been out in California for some time, and was one of the guests at the Arlington Heights picnic some time ago, has at last secured a good job in an office out there. Glad to hear of his success.

The Beeman family who had been living in the H. C. Moehling house on North Dunton avenue, have moved to a place on the south side. The light showers in our locality scarce touch the needs of the dry soil in field and garden.

Mrs. Elma Larson and her daughter, Elma, from Evanston, called on friends here and in the country Sunday.

Mr. and Mrs. Carl Fehlman from Woodstock were guests of their mother and his brother, Martin, and family, one day last week.

We are glad to learn that Lilian Ruth Draper is consenting to take up her popular reading and delineations again as she can give spare time from her employment. In her monologues she was especially fine and in all her parts was superior to many who come from some other places and get a big price.

Mr. Fayett Briggs received word last week that his mother had a fall in her home in Iowa from which she suffered a severe fracture in one of her hips.

Mrs. Arthur Weise and son, James, came last week after spending some days in Indianapolis, where Mr. Weise is stationed in his line of work.

Remember Monday, May 25, is Poppy day. Be ready to patronize those who are trying to sell them on the street. To help our home

Don't forget the Pageant of Shawls given by the Gleaners Circle in the Meth. Gym, May 20, 2 p. m. Light refreshments will be served later in the afternoon.

The Arlington Heights Eastern Star will hold a rummage sale May 20 and 21, in the vacant store building located on the Northwest Highway and Evergreen avenue starting at 10 a. m.

## DENTAL MEETING

The regular meeting of the N. W. Dental Credit association was held Tuesday evening at Des Plaines. An interesting talk on credit relations was presented by H. D. Kants of the Professional Men's Service Bureau.

The association has endorsed and its members will adopt the proposition for credit management as presented by Mr. Kants.

The Professional Men's Service Bureau has offices in Chicago and in handling the Northwest accounts will establish a permanent office at 1 N. W. highway in Park Ridge.

Illinois Allots \$805,969.64 Fuel Tax to 102 Counties

Allotment of \$805,969.64 to Illinois' 102 counties as their share of motor fuel tax paid into the state treasury for the month of April, was announced here by Gov. Henry Horner.

Of the total, \$204,885.00 was held in reserve by the state for interest and retirement of the 20 million dollar emergency relief bond issue and \$81,611.50 for interest and retirement of the 30-million dollar relief issue.

There was collected from Public Utilities in Illinois during the month of April, 1936, a total of \$603,200.01, including protested amounts, it was announced today by Director K. L. Ames, Jr., of the Department of Finance, State of Illinois, in a report to Governor Henry Horner.

All of this revenue goes to unemployment relief.

Northwest Guitar Club Concert

Next Friday, May 22, the Northwest Guitar club will present their second annual concert in Des Plaines at the Junior High School auditorium, beginning promptly at 8 p. m. About fifteen people will take part, three of whom are from Arlington Heights. These include George "Buddy" Gaare, Jr., Jimmy Jirak and Norman Beese, who have tickets for sale.

In addition to the feature of the concert, which will be Elmer D. Herrick, who is well known locally, and his new electric "singing" guitar, there will be numerous other special numbers which music lovers won't want to miss. Among these will be the Hawaiian Duo, a duet group composed of Buddy Gaare and Jimmy Jirak, who will play a cowboy tune (of all things!) Numerous other western tunes will be presented and the numbers by the Honolulu Octet, a group of eight players from Arlington Heights, Park Ridge, and Des Plaines, will be of especial interest. They will present a group of four selections, three popular Hawaiian melodies and one old favorite.

Mr. Herrick's electric guitar still proves to be the big drawing card. With carefully controlled tone, suited to the particular type of song being played and volume sufficient to make the song audible a quarter of a mile away, this new guitar is creating wide curiosity and interest. Those who have never seen or heard one of these beautiful instruments should not miss this concert. Tickets may be secured from the members listed above or at the door. Prices are unusually low, the aim of the club being to merely clear expenses of rent, printing, music, etc. Don't miss this unique program.

## S. C. C. S. NOTES

Probably the high lights for the members of the S. C. C. S. and their friends will be the dance by popular request at the Arlington Country Club, June 6. Guests will have the privilege of dancing to Eddie Bado and his Revaliers. General chairman are Mrs. Robert Swanson and Mrs. Frank Cizek.

## RED WINGS MEET ELGIN HERE SUNDAY

Locals Will Attempt To Repeat Victory of Last Year.

Sunday afternoon the Arlington Red Wings will be host to Elgin, who play in the city league, with such teams as Mills, Logan Square, and other topnotch semi-pro teams from the Chicago and Milwaukee areas.

Due to the surprise trouncing Heights handed Elgin last year on the latter's home diamond, the Elgin team is anxious to get sweet revenge and the game lines up as one of the season's outstanding contests.

With the Red Wings fighting to prove last year's game was not a fluke, and with considerable dough hanging on the outcome, the game should really be a scorcher from the fans' point of view.

The Red Wings are making an attempt to book only the fastest teams this year in order to give their many loyal boosters the type of games they deserve. But when you have to lay forty or fifty dollars on the line before the big teams will come out, it is plain to see that the kitty will need quite a few dimes and quarters, and consequently quite a few fans. So all you baseball bugs, who don't get down to the ball park very often, go down Sunday and see a real battle. Admission is by donation only, and the boys really try hard to deserve your support. Why not BE A RED WING BOOSTER.

Harold Lloyd Brings Rich Screen Fun

Harold Lloyd is up to new screen tricks in "The Milky Way" which opens Sunday at the Des Plaines Theatre for a three-day run.

The spectacular farceur is, as always, inimitable. As a timid milkman who is pushed into fistic fame when he ducks the blows of the mid-dleweight champion in a brawl, Lloyd gives everybody a splendidly hilarious time.

Two fierce pugilists proceed to try to knock the comedian's block off. In the assortment of footwork that Lloyd uses to escape, every dance step is introduced from the tribal stamp of angered aborigines to the bubble-chasing flutters of Sally Rand.

"The Milky Way" is insanely merry. It is guaranteed to give every funnybone a good workout. The gags in this picture are irresistible. Fine work is done by the supporting cast, which is composed of Adolphe Menjou, Verree Teasdale, Helen Mack, William Gargan, Dorothy Wilson and Lionel Stander.

## First Sorority

## The Passing of Byron D. Thurbur One of Older Residents

Byron Devillo Thurbur was born December 16, 1848 in Durkirk, New York. He was youngest son of Lyman and Maria Thurbur. When nine years of age came with his parents to live in Arlington Heights. On July 19, 1879, he was united in marriage to Harriet Ellen Carson. To this union were born four children, three of whom preceded him in death.

Mr. Thurbur lived in Arlington Heights about thirty-six years. After this time he moved to Maplewood. He was employed by the Jefferson Ice company for over thirty years. His wife passed away November 14, 1934. Mr. Thurbur passed from earth life May 6, 1936, aged 87 years, 4 months and 20 days.

He is survived by his daughter, Mildred and by other relatives and friends. The funeral was held from 10 to 11 a. m. at the Lutheran church, conducted by Dr. H. A. Kossack of the Presbyterian church; interment in Arlington Heights cemetery in the family lot.

Since his wife's death, Mr. Thurbur had lived with his daughter in Arlington Heights and in his helplessness broken down condition she gave him constant care.

One industrious and prosperous Mr. Thurbur's last years found him like a broken reed, defeat and disaster, brought his life's closing hour a blessed release.

Music Group Will Present Free Spring Concert

The music department of the Arlington Heights township high school will offer the band, two girls' glee clubs, faculty quartet, instrumental solos and duets, and a one act comedy opera, in a free concert at the high school auditorium on Friday night, May 15, at 8.

These musical organizations have appeared on a number of school and town programs this season and have been well received. An entirely new program has been arranged, and a large turnout is expected. All children must be accompanied by their parents.

Donald Hanauer and Albert Froenling have been chosen from a number of student directors, to assist Mr. Costain with the band. Byron Baxter and Gail Petersen will play a trumpet duet, and Fred Grooms and Mr. Costain a clarinet duet. John Allen has the lead in the opera.

If you enjoy good music, in addition to several comedy numbers, come to the high school auditorium Friday night, May 15, at 8. It should be remembered that no seats are reserved and that the auditorium only seats 500, so it would be advisable to come early.

Twelve Seek Postmaster Job at Arlington Hts.

Twelve persons filed applications for the postmaster vacancy at Arlington Heights. Included in the number is Mrs. Virginia Dodge, who has been acting postmaster the past year.

## AT THE HIGHWAY SHERIFF STATION

Modern Robber Has No Conscience

It is quite apparent that the modern robber has no conscience whatever, because when they start relieving a cab driver of his few hard earned pennies, they are resorting to the lowest petty larceny tactics imaginable. Such was the case of Mr. Walter Garrett, a driver for the Leyden Premier Cab Co., who complained to Sgt. Heyers of the sheriff's highway police that he had been taken for a ride in his own cab and after being bound and gagged, two men robbed of \$4.00. It will be only a matter of a short time before these rats are caught up with, then we will have the pleasure of hearing them squeal.

Bank President Kidnapped and Was Later Released

Sheriff's Highway Police were summoned to investigate an interesting case in Bellwood, Ill., when Mr. Arthur Messenbrink, President of the Bellwood State Bank called the station and stated that he had been kidnapped by two men and later released. An investigation revealed that 2 men accosted Mr. Messenbrink as he was about to enter his garage, forced him into his car and drove him out to North Ave. and Lake St. where he was released after being threatened to return with \$20,000.00 or else have his home and the bank blown to bits, as they stated that they had planted bombs around both buildings. The two kidnappers were traced as far as York Rd. and Lake St. where all signs of them were lost. The so-called "G" men have been called in on the case and together with the sheriff's highway police results will soon be had.

Kindness and Patience Rewarded with Robbery

Kindness, patience and motherly care in most cases are rewarded with good behavior on the part of a child. However, in the case of Richard Kwasinski, age 10, formerly of the Catholic Home Bureau of Chicago, Ill., who has been cared for by Mrs. Giarusso of Rand Rd. and the Soo Line tracks for the past few months, grief and financial distress was the result. Mrs. Giarusso left her home to shop and told Richard to take good care of the house. In her absence, he

took very good care; he stole \$70.00 that had been set aside for the payment of taxes, and set out for Chicago to have a good time. Sheriff's Highway Police were notified of his disappearance and that of the money and at 4 p. m. of the same day, had Richard in custody with but \$20.00 left. He stated that he had seen 3 movies, bought lunch and candy and must have lost \$40.00 because he could not account for the balance of the money. An investigation revealed that he had done similar things in the past in the homes of other fine people. His chances for such performances in the future are entirely dimmed, since he must now face the Juvenile Court and leniency is not expected.

Highway Police Lose Softball Game

Disgusted, but not discouraged, are Sheriff Toman's Highway Police after being defeated in their opening game of the indoor baseball season at the hands of the Sheffield Ave. Police of Chicago, Ill. The wrinkles are expected to be ironed out and successive victories are in the offing.

## WARNING SIGNS HELP TO REDUCE AUTO MISHAPS

Few Motorists Intentionally Disobey Signs, Says Auto Club Head.

A greatly increased number of warning, instruction and direction traffic signs, erected in conspicuous places along state highways and heavily traveled city streets, would aid tremendously in eliminating "nuisance driving" by heedless motorists, thereby tending to reduce traffic accidents, says Carl A. Barrett, President of the Illinois Automobile Club. Such signs remind and instruct drivers of the "rules of the road" and that "Courtesy prevents accidents."

"Another season of motoring for pleasure is just beginning and bids fair to be one of the greatest in the history of the automobile," said Mr. Barrett. "With our streets and highways loaded to capacity, every motorist should give thought to doing his part toward making them as comfortable and as safe as possible. Be considerate of others."

"The heedless driver who uses the wrong lane, straddles two lanes or weaves in and out is a nuisance to traffic and a menace to safety. Few motorists intentionally disobey traffic rules or discommodate others; usually they are thoughtlessly discourteous."

"Constant police patrolling would be an effective, but too expensive method of correction. Lacking sufficient police, we should have more traffic signs, placed at frequent intervals and at conspicuous places—warning signs, instruction signs

and direction signs. They would serve as a constant, persistent reminder to every motorist of his duty to others, his personal responsibility to keep the streets and highways as safe as possible. "We are spending millions of dollars for physically improved roadways, mechanically safer motor vehicles and public highway safety education. How better could some of this vast expenditure be used than for these much-needed traffic signs?"

"The expense of such protection would be nominal when compared with the advantages to be gained by greater comfort, speed and safety for all concerned—both those in cars and those on foot."

## SCHOOLS

ELK GROVE SCHOOL, DIST. 59  
Elaine Landmeier, Irene Horn, Editors

We have had two visitors in our school this week. They were Marvin Kuhlman and Wallace Kruger.

The spelling teams in the lower grades are tied.

Those that have had perfect attendance this year are Jeanette Fluger, Harold Kolze, Richard Kolze, John Everding and Robert Lagerhausen.

The lower grades in Miss Lindsay's room are buying flowers for their mothers for Mother's Day. Verdel Kruger and Verdel Jarvuth brought plants for the school. The directors planted some more trees on the school ground.

We had a base ball game after school Wednesday night. We won by a score of 11-2 and 16-0.

The fifth grade have been studying about cotton in geography. They are ready to make booklets on "cotton."

The "Achievement Club" bought two new balls.

Lorraine Pomplun and Emil Winkelman have been absent this week because of illness.

Grade 5-8 made bowls of tulips for art work last Friday. They make nice decorations for our windows.

## Current Shows At the Catlow

The three most popular stars of the day—Clark Gable, Myrna Loy and Jean Harlow—will play the Catlow theatre, Barrington, Sunday and Monday, in "Wife Versus Secretary," the picture that is winning instant approval and enthusiasm in the first-run spots of the world. This masterful story of Faith Baldwin is set amid the skyscraper penthouses of New York and the tropical beauty of Habana. Gable finds himself snared between the loves of two women—Myrna his wife, and Jean his secretary. New angles to the "eternal triangle" will be found in "Wife vs. Secretary," the picture that reaches the zenith in glamour, artistry and modernism.

The greatest front page personalities in the world are, without doubt, the Dionne Quintuplets. "The Country Doctor," coming to the Catlow next Wednesday, Thursday and Friday, will present the Quints

themselves—cooing, crooning, acting, in their first feature-length picture surrounded by famous Hollywood stars in a human-interest story so stirring it's unforgettable. The picture was made under the personal supervision of Dr. Allan Roy Dafeo, with Jean Hersholt, Slim Summerville, June Lang and Dorothy Peterson starring with "The Quints." "The Country Doctor" is an entertainment event without precedent! The most amazing "scoop" the screen has ever offered.

"Charlie Chan at the Circus" will provide tip-top mystery for Friday night; Gene Raymond and Wendy Barrie as the stars in "Love On A Bet" will offer adventure and romance for the Saturday night bill.

Next Tuesday brings Dick Foran, the singing cowboy, in "Song Of The Saddle," a Western of thrills and comedy against a spectacular scenic background. In addition the Barrington high school orchestra and glee club will offer a forty-minute concert beginning at 8:40 p. m. In the recent State contest the local orchestra tied for first place; while the glee club carried off second honors. The Tuesday's program will be a benefit to help defray the expenses of the orchestra when they compete in the National contest.

## WHEELING

We are glad to note that Mrs. Fred Felgenhauer who was seriously ill with pneumonia recently, is again able to be out.

Mr. and Mrs. John Tom are the happy parents of a baby girl born to them last Wednesday evening, May 6th.

The Deutch family are new tenants in the J. Wick flat on Milwaukee Ave.

Mrs. G. Sicks and John Sicks motored to Dubuque, Iowa, for the week-end.

Members of the Presbyterian young peoples club enjoyed a social evening following their business meeting last Tuesday. They adjourned to the Ackerman home for the social hour, where at the close of the evening Mr. and Mrs. Oscar Laurance followed "the thread of fate" disclosing to them many years of happy wedded life together with a small gift from fellow members.

Members of Wheeling Troop Boy Scouts enjoyed an overnight hike in the Forest Preserve last Friday evening. The weather proved ideal and the boys had a good time if not much sleep.

Miss Bertha Keith is enjoying the company of her father, who came from Mt. Sterling last Saturday to stay with her until the close of school.

A group of friends surprised Miss Violet Richardson at her home last Wednesday evening. A variety of games filled the evening which sped in merry fashion.

In spite of the warm weather tempting people to the out of doors about 60 people assembled at the Riverside for the R. N. A. card party last Thursday to make it a success. The lucky people of the evening were Mrs. Albert Schultz of Wheeling, winner of the beautiful pink and blue wool lined quilt and Miss Jennie Hill of Highland Park, winner of a lamp donated by Miss Reichenbach. The camp wishes to thank all who helped to make the affair a success.

**Loving Much or Little**  
It has been truly said that in those who love little, love is a primary affection; a secondary one in those who love much. Be sure he cannot love another much who loves not honor more. For that higher affection sustains and elevates the lower human one, casting around it a glory which mere personal feeling could never give.

## Jewelry Watch & Clock Repairing

The life of a watch can be doubled if it is given proper care. See Mr. Richert at the Richert Jewelry store ever so often and let him give your watch the "once over."

**Emil Richert**  
—Jeweler

## Back In 1904

From Files of Cook County Herald, Issue of May 13, 1904

### Bensenville

The Bensenville Indians intend to have a ball game with the Addison Stars Sunday. The Indians think they are the best team in the county.

Geo. M. Groves barn burned last Monday. The fire department went over to save the buildings. Nobody knows how the fire started, but the carpenters will have another job now.

E. L. Franzen, Fred Mess, E. Schultz, E. Holdebeck and Aug. Freise went fishing to Wauconda Saturday and returned Monday evening. They caught about 300 silver bass and many other fish besides. Barney was born lucky and all that go with him share his luck.

### Itasca

H. H. Geils shipped 8,000 pounds of cheese from his factory Tuesday. Henry says no seals required from his patrons as long as they get the milk to him, be it pans, pails or wash tubs so long as it is fresh.

It is expected that the Rev. Wm. Eaton who formerly preached here will occupy the pulpit Sunday.

Wm. Mahler has been appointed street commissioner and will soon begin work on streets which are badly in need of improvement in many places.

### Roselle

Chas. Albright's residence is being rapidly furnished.

Gus Peterson of Aurora was a Sunday visitor here.

Frank Meyer had his two seated carriage out for an airing Sunday.

### Schaumburg

Frank Tutor was in Chicago last week and got himself a nice silver plated cornet. "Na nu speil se mol a marsh."

The first grand picnic and dance this season will be given in Scheen's grove, Pentecost Monday evening, May 23. Good Chicago music.

Henry Bruhns and Henry Quindel Jr. forgot to put the bit in their horse's mouth and they came to a standstill in a wire fence.

### Meachem

Mrs. C. Baker is expected home soon from the hospital, where she has been nearly two months.

Miss Minnie Benhart and her brother, George, went to Chicago. Their sister, Anna, is spending a few days with them.

### Long Grove

V. Sauer is hauling material for an addition to the barn on his farm.

Some young ladies have annoyed the teachers of the Rev. Schmidt's Sunday school very much of late, while hearing their classes, and as a result several of them have stopped teaching.

### Arlington Heights

Miss Daisy Proctor visited friends at Maplewood last week.

Arlington Heights enjoys a good healthy growth continuously, but this season promises to be a red-letter year in the annals of her history. At least twenty new residences will be built, all new homes, well located, at an average cost of \$2,000 each.

The coroner came Saturday and held an inquest on the bodies of John and William Roehler. They were killed by being struck by a gravel train on the Northwestern railroad Thursday evening, May 12. They said the railway company ought to have a gateman on duty night and day.

The remains of Miss Adelaide Olmstead who recently died in Colorado were brought here and buried.

### Wheeling

A Wheeling girl was told by her physician that she would have to give up her corset and quit eating sweets. She promptly sent for another doctor.

Miss Rebecka Hartman had a party last Friday night.

### Elk Grove

Herman Doehead, the champion wrestler of Itasca, came to Elk Grove and challenged anybody for a wrestling match. H. F. Martens performed the wonderful feat, laying him on his back twice in succession, with perfect ease.

August Busse took two loads of potatoes to the city Monday night.

### Everdings Corners

Aug. Wolters and Henry Landmeier each received a carload of corn grease. They say it makes the corn grow faster, so it must be corn grease alright.

Wm. Mohlenkamp and wife visited his brother in law, Louis Landmeier last Sunday.

### Palatine

Edw. Stuenkel is having the Grebe building slicked up before putting in his stock of furniture and undertaking goods.

Plinn Arps visited Dr. Sowles at Wauconda Sunday; reports him well and rushed with work.

C. E. Julian, the Palatine delegate, was honored by being elected chairman of the seventh district Republican Senatorial convention held at Blue Island, Saturday.

## 4,021 Farms in Cook County; Average 57.6

Cook county has 4,021 farms, according to the United States Census of Agriculture made recently for the year 1935. Other interesting facts about the county:

Approximate land area, 597,120 acres, 38.8 per cent of which is in farms.

Average size of farms, 57.6 acres.

All land in farms Jan. 1, 1935, 231,764 acres.

Value of farms (land and buildings), \$50,673,602.

### Laughing Philosopher

Democritus, Greek philosopher, who was born about 470 or 460 B. C., was called the laughing philosopher.

The Allis-Chalmers Model "WC" was the first year 'round tractor—the first to handle old and new tractor jobs with more ease and greater speed. Now, the new FULL 2-PLOW "WC"—with several improvements—is a still greater value. Plows or cultivates at 5 miles an hour; hauls on the road at 10 miles. High traction differential—the wheel with the best footing gets the power. Quick, easy hitch for cultivator, planter, mower, etc. Adjustable tread. Burns gasoline or low grade fuel with same carburetor. Also many other features that make the "WC" champion of them all in performance. See us.

## PMA Announces Neatest Dairy Farm Contest

Pure Milk Association again renewed its recognition of the neatest dairy farms in the Chicago milk shed, with the announcements today that entries in its third annual Chicago Neatest Farms Contest will be accepted up to midnight, June 30.

Each year the Pure Milk Association rewards those of its 14,500 members who have the neatest dairy farms. To each farm that receives a rating of 90 per cent or better is given an "Award of Merit" plaque. A winner is chosen in each of the 15 districts of the Association, which cover 33 counties in northern Illinois, southern Wisconsin, and northern Indiana. A grand champion is selected from the 15 district winners.

The farms that receive the appellation, "Pure Milk Association Neatest Dairy Farm," are selected on the following basis:

1. General appearance of the dairy farm—50 per cent.
2. Condition of the dairy barn and herd—20 per cent.
3. Condition of the milk house, milk utensils, and other equipment—20 per cent.
4. Condition of all other buildings on the farm 10 per cent.

Last year 84 Pure Milk Association dairy farms received the "Award of Merit" over a field of approximately 200 neatest dairy farms that were entered in the contest. Last year's Grand Champion Farm belonged to Mr. George Ohlendorf of Crete, Illinois.

## Northwest Conference Track Meet at Leyden

The annual Northwest conference track and field meet is only a little over a week away. A week from Saturday, on May 23rd, this year's meet will be held on Franklin Park's new athletic field.

Franklin Park has by far the best field in the conference on which to stage this annual show of cinder talent in the N. W. conference.

Libertyville is the favorite to wrest the championship from Arlington, last year's victors. Undoubtedly their main opposition will come from Grant and Arlington.

Besides these, Barrington, Palatine, Leyden, Bensenville and Antioch, and possibly others will enter to make this year's meet the biggest in history.

Libertyville has Madden, Ray, Newhouse, Smith, Isaacson, Harlan, Jaeger and others certain to score points. Grant's ace is Sharp, Paddock, Schraudenbach, Eiter, Du-fault and Amann.

Arlington has Johnson, Dearie, Hull, Senne, Richards, Masny, etc. Palatine has Kreft, Deverman, Kuhn, and Eriess. Barrington counters with Sheesley, Stout, Riech, Dotterer, Mountain, and Nofz. Bensenville's stars are Gal-lerly, Koske and Davis.

Leyden and Antioch are an unknown quantity. A large list of

others makes this year's meet cer-tain to be of prime interest.

The prelims are to begin at 10:30 Saturday a. m., May 23, with the finals that same afternoon at 2:00. Watch next week's issue of this newspaper for complete details.

## Arlington H. S. Baseball Team Lose To Warren

Arlington's struggling baseball team lost to Warren township H. S. on Friday by a score of 13 to 2. The game was well-played up to the fifth inning, when a combina-tion of hits and walks sent the score into the stratosphere.

A two-run lead off Kehe in the first inning resulted from a single, a triple, and a single. After that he bore down brilliantly for three innings, allow-ing only a single and a walk. Mean-while the Cardinals were giving Hogan plenty of trouble, tying the score on runs scored in the third and fourth innings. Kehe's hit in the fourth may have proved his undoing as he was hit in the back by a thrown ball at second base. In the next inning he promptly al-lowed three hits and punctured a batsman. Warren scored four in the fifth and seven in the sixth. A single by Roy Wille in the sixth and a double by Granzin completed the Arlington offense.

The collapse of the losers came in the fifth inning. Mitchell and Hogan singled. Krumery bounced one to short on which Ralph Wille made a big-league stop for a put-out. Kehe's second pitch hit Mc-Cann and the bases were loaded. Philip singled, scoring Mitchell. Ho-gan was called out at third on Ralph Wille's perfect throw to Buesing; then the umpire thought the play over and reversed the de-cision. Brya's bounder to short was an easy play. Wille threw to the plate in ample time for the out but Clark let the ball get away and two runs scored. Zimmerman popped up to Kirchhoff and Nordberg struck out to end the inning. In the seventh Rosene walked and Mitchell reached first on Kirchhoff's error. Hogan drove to Granzin who took the ball after a long run and per-ged to second to hold the runners. Krumery also lofted one which Hedke took at the left-field foul line. The side should have been out, Kehe suddenly lost control. Pingel was unable to stop the rally and Laseke finally took the mound. Warren scored seven runs, all un-earned, in this flurry.

For Arlington the fine defensive play of the outfield was encourag-ing. The work at shortstop was all that any high school coach could ask. Carl Granzin and Bruce Clark collected half of the Arlington hits, each with a single and a double. Clark surprised everyone with a stolen base in the fourth when a hit-and-run play missed fire. He rode home on Kehe's solid smash in-to right. Philip's triple in the first was the outstanding effort for War-ren. He also hit in the fifth to drive in a run. Hogan's pitching was steady although not sensational. The score was no indication of the relative strength of the teams, as the losers were outthit only nine to eight.

Arlington has no conference game for this week, but will play the strong Waukegan high school re-serves on Friday. The game will be played at Arlington on the high school grounds. Admission is free.

### Arlington-Evanston Game May 9

The second non-conference game of the season brought another vic-tory as Arlington hammered three pitchers for a 14 to 6 victory over Evanston Fresh-Soph. Most of the Cardinal line-up consisted of re-serves or of younger players from the regulars. Clark and Ralph Wil-le remained at key positions, catcher and short stop respectively. Pingel pitched three and one-third in-nings and gave way to Laseke, who finished well. Pingel bore down in the first to strike out the final batsman with all bases loaded. Again in the second he struck out three men after allowing a walk and two hits. In the fourth a home run followed by two walks spelled his finish. Laseke allowed one hit in three and two-thirds innings. A six run rally in the first put Arlington safely ahead. Another cluster of six in the third and two more in the sixth comprised the rest of the total. Evanston scored once in the first, once in the second and four times in the fourth. Five of these were earned runs.

For Evanston Norland at short, hit twice in two official trips up. He also walked once and was hit once. Scott at first collected a double and

a triple in four times. Proebstle of Arlington had a good day at bat with a single, double and triple in four trips. Granzin hit once and walked twice. Thune hit twice and walked once. His good two-bagger was wasted as he cut short at second base in his haste to reach third and was put out. Welfin's fielding was good.

A return game will be played at Evanston on May 27.

## State Lets 36 Highway Contracts In 22 Counties

Construction of thirty-six high-way improvement projects in 22 Il-inois counties to cost a total of \$2,021,926.49 is provided for in contracts awarded by the state di- vision of highways.

The largest single letting in the past three years, the proposed work is part of Governor Henry Hor-ner's 1936 highway improvement program and includes 20.94 miles of paving, 43.62 miles of grad-ing, 2.71 miles of traffic bound sur-face course, 7 bridge sections, 6 subways and 7 viaduct sections.

## PALATINE WINS TRACK MEET AT LEYDEN

Kraft and Deverman High Scorers; Eight Firsts To Palatine; 68-48.

Palatine traveled to Franklin Park last Thursday and came home with a 68-48 track victory won at the expense of Leyden high school. Kraft was high scorer for the Pirates with 13 points won in field events. Deverman was second with 10½ points and O'Brien third with 8½. Palatine won 8 firsts and 8 seconds, and showed great strength in the 440, 880 and mile runs. Sewoski, with two firsts, Wiedemeyer and Hackett were stars for Leyden.

### Summary

(L) 1st; Deverman (P) second; Kuhn (P) third; time 11.2 sec.

Shot—Won by Palm (L); Kuhn

(P) second; Kinn (P) third; dis-tance 36 ft. 1½ in.  
Discus—Won by Kraft (P); Byrnes (L) second; Kirchhoff (L); distance 92 ft. 8 in.  
Javelin—Won by Kraft (P); Wiedemeyer (L) second; Hackett (L) third; distance 128 ft. 5 in.

## Long Truck Tire Mileage Depends On Three Things

The three most important fac-tors responsible for satisfactory truck tire performance have been outlined by Elroy Winkelman, local dealer for The Goodyear Tire & Rubber Co.

"The first factor in satisfactory truck tire performance is that the proper tire should be used to suit the load carried," Mr. Winkelman explained. "The second is correct adjustment of inflation to operat-ing conditions and the third is correct matching of dual tires."

"Overloading reduces tire mile-age. For instance, if a tire is car-rying a 120 per cent load, it will give but 70 per cent of its possible mileage. Truck tires, of course,

should be kept at recommended pressures to insure maximum mile-age.

"In correct matching of duals, it is important that two tires which vary more than one-half inch in outside diameters not be matched."

"These are but a few of the things that truck operators should keep in mind to get the best pos-sible service out of their tires. Correct inflation to recommended pressures is especially important, and to insure that truck tires serv-iced by our concern receive proper attention, we have on our wall a huge chart prepared by Goodyear which gives inflation pressures in detail for all sizes of truck tires, and also gives detailed instructions for loads, matching of dual tires and other important information."

"Truckers are invited to take advantage of our service for we are just as anxious as they are to see that they get the utmost service from their tires," Mr. Winkelman concluded.

### Learning and Knowledge

The learning and knowledge that we have, is, at the most, but little compared with that of which we are ignorant.

## Motorcycle Hill Climb At Cary Sunday, May 17

There will be a motorcycle hill climb at Cary Sunday, May 17, under the auspices of the Windy City Motorcycle club of Chicago. Some of the foremost champions of the country will be present including Joe Petralli, Andy Koslow, Bill Castleman and Syl Pollisak.

The climb will start at 1:30 p. m. and plenty of thrills are expect-ed.

### Tar Water as Medicine

In 1739 Bishop Berkeley, Protest-ant bishop of Cloyne, in Ireland, found during a visit to America that the Indians of Narragansett made lavish use of tar in concoct-ing their medical nostrums. The people of his diocese at this time were stricken with violent illness and he became obsessed with the idea of the efficacy of tar water for all maladies. He wrote a treatise on the virtues of tar water which drew down upon him the indigna-tion of medical men and the ridi-cule of the American and British newspapers of the time.

## Balaban & Katz Loop Theater News

THE PADDOCK PUBLICATIONS ANNOUNCE A NEW READERS SERVICE

# INSURANCE FOR THE WHOLE FAMILY

ALL UNDER  
ONE POLICY

This Paper has long felt there was a need for Family Protection in life insurance whereby one policy will cover the entire family. Through the Pilgrim National Life Ins. Co. this paper is now prepared to offer a complete insurance protection plan for the entire family that should appeal, not only to every reader of this paper, but to every person in the entire circulating territory of the Paddock Publications who are of the insurable age.

Before inaugurating this special service for com-plete life insurance protection against natural or accidental death from any cause, this paper made a careful investigation that it might not deviate from its long established policy of securing only the best in whatever service is undertaken for public benefit.

As a consequence of this careful investigation this paper is now prepared to announce that it has procured the co-operation of the Pilgrim National Life Ins. Co., 166 W. Jackson St., Chicago, a strong and conservative company which is operating under the strict supervision of insurance department of the State of Illinois and law re-quiring the legal reserve on these and all other policies in force with this company to be depos-ited in trust with the director of insurance of the State of Illinois in approved securities. Therein lies safety.

The latest in Insurance which pays for death of any or all members of the entire family under one policy brought to you by the Paddock Pub-lications.

### PROFIT SHARING

This policy while in force shall participate in the profits of the company as declared by the board of directors annually.

No Medical Examination.

Applications Acceptable.

Ages to 40 years \$1 per mo.

Ages 41 to 45 years, \$2 per mo.

Pay annually save one month.

## LOWEST RATES Comparison Invited

Readers wishing to take advantage of this oppor-tunity to secure this complete protection on easy payment plan, will make their reservation today.

### VALUATION

The Reserves under this policy shall be computed according to the American Experience Table or Mortality and 3½ Per Cent Interest in accord-ance with the laws of the State of Illinois.

### CONTROL OF POLICY

Every transaction relating to the policy, includ-ing the right to change the beneficiaries shall be with the payor, (the one who signs application pays premiums).
